“ An author who delivers only the best. ” —Romantic Times “ Put Jeaniene Frost on your must-read list! ” —Lara Adrian, New York Times bestselling author Spinning off from her wildly successful, New York Times bestselling Night Huntress novels featuring vampire soulmates Cat and Bones, Jeaniene Frost kicks off the thrilling new Night Prince series with Once Burned. Vlad Tepesh, the ruthless master vampire and inspiration for Bram Stoker ' s dark legend (but don ' t dare call him Dracula) encounters a mortal woman with unimaginable power... including the ability to enflame his cold heart. Paranormal romance and urban fantasy fans who hunger for the novels of Kim Harrison, Christine Feehan, and Charlaine Harris are going to love The Night Prince and this dark and steamy tale of supernatural attraction.

Dating the Prince of Darkness has its challenges . . . Leila's psychic abilities have been failing her, and now she isn't sure what the future holds. If that weren't enough, her lover Vlad has been acting distant. Though Leila is a mere mortal, she's also a modern woman who refuses to accept the cold shoulder treatment forever—especially from the darkly handsome vampire who still won't admit that he loves her . . . Like choosing between eternal love and a loveless eternity . . . Soon circumstances send Leila back to the carnival circuit, where tragedy strikes. And when she finds herself in the crosshairs of a killer who may be closer than she realizes, Leila must decide who to trust—the fiery vampire who arouses her passions like no other or the tortured knight who longs to be more than a friend? With danger stalking her every step of the way, all it takes is one wrong move to damn her for eternity . . .

In the explosive finale to New York Times bestselling author Jeaniene Frost ' s Night Prince series, Vlad is in danger of losing his bride to an enemy whose powers might prove greater than the Prince of Vampires ' . . .In the wrong hands, love can be a deadly weapon For nearly six hundred years, Vlad Tepesh cared for nothing, so he had nothing to lose. His brutal reputation ensured that all but the most foolhardy stayed away. Now, falling in love with Leila has put him at the mercy of his passions. And one adversary has found a devastating way to use Vlad ' s new bride against him. A powerful spell links Leila to the necromancer Mircea. If he suffers or dies, so does she. Magic is forbidden to vampires, so Vlad and Leila enlist an unlikely guide as they search for a way to break the spell. But an ancient enemy lies in wait, capable of turning Vlad and Leila ' s closest friends against them . . . and finally tearing the lovers apart forever.

After a tragic accident scarred her body and destroyed her dreams, Leila never imagined that the worst was still to come: a terrifying ability to channel electricity and to see a person's darkest secrets through a single touch. Leila is doomed to a life of solitude ... until creatures of the night kidnap her, forcing her to reach out with a telepathic distress call to the world's most infamous vampire. Vlad Tepesh inspired the greatest vampire legend of all—but whatever you do, don't call him Dracula. Vlad's ability to control fire makes him one of the most feared vampires in existence, but his enemies have found a new weapon against him--a beautiful mortal with powers to match his own. When Vlad and Leila meet, however, passion ignites, threatening to consume them. It will take everything they have to stop an enemy intent on bringing them down in flames.

The climactic third novel in New York Times bestselling author Jeaniene Frost's Night Prince series finds Vlad and his newly turned bride, Leila, at odds with each other—and vulnerable to the one vampire powerful enough to end the Dark Prince's reign . . . Play with fire, pay the price Leila's years on the carnie circuit were certainly an education. What she didn't learn: how to be a vampire, or how to be married to the most famous vampire of them all. Adjusting to both has Leila teetering on a knife edge between passion and peril, and now the real danger is about to begin . . . Vlad must battle with a centuries-old enemy whose reach stretches across continents and whose strength equals his own. It isn't like Vlad to feel fear, but he does . . . for Leila, because his enemy knows she is Vlad's greatest weakness. As friend and foe alike align against him—and his overprotectiveness drives Leila away—Vlad's love for his new bride could be the very thing that dooms them both . . .
