One Minute Mysteries and Brain Teasers

Award-winning author Sandy Silverthorne and John Warner's first collection of one-minute mysteries has sold more than 100,000 copies, and now the two offer more fun thinking puzzles for super-sleuths of all ages. It's an entertaining book for the whole family. Each one-page mystery is illustrated with a hilarious cartoon that presents an obvious (and obviously incorrect!) solution. Readers can turn to a page of clues, each one revealing more information until the a-ha! moment finally arrives. Sure to make folks scratch their heads and think outside the box, this is the perfect book to pass the time or pep up a party—good clean fun for anytime, anywhere, and anyone! Previously released as Return of the One-Minute Mysteries and Brain Teasers.

Readers of all ages will enjoy the challenge of discovering the answers to—or being stumped by—these interactive mysteries. In brief paragraphs and black-and-white illustrations, award-winning author Sandy Silverthorne and John Warner present 70 puzzles, each with a logical "aha" answer that requires thinking outside the box. Clues and answers are included in separate sections. Mystery: A man is looking at a clock that displays the correct time, but he doesn't know what time it is. Why not? Clues: The man can see and tell time perfectly well. The clock is normal and in plain sight. More than one clock is in the room. Solution: Each clock in the room is displaying a different time, so he doesn't know which one is correct. Hours of wholesome entertainment is practically guaranteed!

Sharpen Your Sleuthing Skills with These Super Brain-Strainers Mystery: A burglar robs many homes throughout the day. At the last house, he breaks in through the back door. This house has more valuables than any of the other houses, and nothing is there to stop him from taking them, but he doesn't take anything. How come? Put on your detective hat and prepare to solve the best mindbenders from the popular puzzle book series One-Minute Mysteries. This collection of crazy conundrums will keep you guessing until the final page and provide hours of entertainment for detectives of all ages. Are you up for the challenge? Let's find out. Solution: The burglar broke into his own house because he'd accidentally locked himself out.
