[Organizational Behavior is a multidimensional product to allow for student development in knowledge, analysis, synthesis and personal development with pedagogical features designed to bring Organizational Behavior to life. This product reframes the content of organizational behavior to reflect the inherent interdependence of factors that explain human behavior. Traditional OB topics are introduced as part of an integrated framework for answering practically-relevant questions about why people behave as they do and how to effectively self manage and influence others.](#)

[The new edition of Organizational Behavior includes a rich array of exercises, cases, and applied materials such as the Kouzes and Posner Leadership Practices Inventory and Pfeiffer Annual Edition exercises available in the OB Skills Workbook. It also focuses more on the hot topic of ethics throughout the entire book to ensure it is contemporary and engaging. The text also introduces two brand new key features ' Finding the Leader in You' and 'Taking it Online'. 'Finding the Leader in You', discusses leading in the workplace in a personal and applied way. The goal is to make the material more relevant and applicable to today's readers. The 'Taking it Online' feature will take the reader from the book to an online case, activity, self-assessment, or video clip of the leader they are reading about.](#)

[Acclaim for the first edition: 'Handbook of Research in International Human Resource Management represents a welcome contribution to IHRM literature and will be required readings for both novices and veteran researchers.' -- Dana B. Minbaeva, British Journal of Industrial Relations '... a rich array of contributors including some of the biggest names in the field.' -- Roger Bell, Delta Intercultural Academy The second edition of this Handbook provides up-to-date insight into ground-breaking research on international human resource issues today. These issues are faced by multinational companies which can be as small as one person with a computer and Internet connection or as large as a medium-sized country. Written by the field's most distinguished researchers, the book will stimulate thought for new research and provide a glimpse of where we have been and where we are going. The book explores issues such as the importance of linking IHRM activities to organizational strategy and culture; talent management; staffing; performance management; leadership development; diversity management; international assignment and mobility issues; and the role of IHRM in the management of global teams and cross-border joint ventures, mergers and acquisitions. The Handbook illustrates that IHRM research is both theoretically deep and eclectic. Drawing upon a range of paradigms and perspectives this compendium will prove invaluable for HRM scholars, doctoral students, and others interested in IHRM research.](#)
