A commentary and study.

The Constitution of India has been India's greatest achievement since Independence. The country can take legitimate pride in the fact that the Constitution has survived all the pressures, stresses and strains inflicted on the body politic by malevolent forces, both internal and external. It has emerged stronger from the many crises, conflicts and controversies. In fact, the Constitution has been in the making all through the last sixty years. This book brings together for the first time a selection from the many contemporaneous notes and opinions on crucial issues involving interpretation of key concepts and provisions of the Constitution. These were written in response to the controversies raised or difficult conflict situations then prevailing. The author was in some ways privy to some of the conflicts and had something to do with their resolution within the constitutional framework. The views retain their relevance and appeal. This book would be useful for all those who are interested in understanding the mechanisms of the Constitution and its functioning. SUBHASH C KASHYAP is a widely acknowledged and well-known constitutional expert. He is also a Supreme Court advocate, consultant in constitutional law, political management and parliamentary affairs; Honorary Research Professor at the Centre for Policy Research; President, Citizenship Development Society and Rashtriya Jagriti Sansthan; Editor, South Asia Politics (monthly); Chairman, Academy of Grassroots Studies and Research; and is connected with several Indian and foreign institutions, universities etc. Earlier, Dr Kashyap served as Secretary-General, Lok Sabha (Parliament of India); Member, National Commisison to Review the Working of the Constitution and Chairman of its Drafting and Editorial Committee; Honorary Constitutional Adviser to Government of India on PR I Laws; Director, Institute of Constitutional and Parliamentary Studies; Head, CIDP (Inter-Parliamentary Union), Geneva; Member, Board of Directors of International IDEA (Stockholm); Member, Governing Council, Indian Council of Social Science Research; Chairman/Member of several high-level committees in constitutional, parliamentary and educational fields including the Committee for Selection of the Most Outstanding Parliamentarians, Search Committees for Selection of Vice-Chancellors etc.; US Congressional fellow (Washington DC); Fellow of the Academy of American and International Law (Dallas), Nehru Fellow, UNDP Fellow etc.
