~~Books by Ryū Murakami (Author of In the Miso Soup)~~

Ryu Murakami's Japan is a dark and malevolent place with characters that are so distorted it becomes hard to define them as human. After watching Miike Takashi's screenplay of "Audition", I consequently stumbled onto Ryu Murakami's other novels. "Piercing" just so happened to have been my first experience of his writing. The writing style is ...

Buy Tokyo Decadence by Ryu Murakami, Ralph McCarthy from Waterstones today! Click and Collect from your local Waterstones or get FREE UK delivery on orders over £25.

Since the death of his wife seven years ago, documentary maker Aoyama has not dated anyone else. Now even his teenage son, Shige, thinks that he should remarry and his best friend Yoshikawa comes up with a plan: to hold fake film auditions from which, he can choose a new bride. Of the thousands who apply, it is a beautiful ballerina, Yamasaki Asami, who captivates Aoyama. Infatuated by her fragile nature and nervous smile, he ignores his increasing sense of unease, putting aside his doubts about his new love, until it may be too late... In *Audition*, Ryu Murakami delivers his most subtly disturbing novel yet, confirming him as Japan's master of the psycho-thriller.

Every night, Kawashima Masayuki creeps from his bed and watches over his baby girl's crib while his wife sleeps. But this is no ordinary domestic scene. He has an ice pick in his hand, and a barely controllable desire to use it. Deciding to confront his demons,

Kawashima sets into motion a chain of events seeming to lead inexorably to murder...

A cream-of-the-crop selection of Murakami's brilliance and piercing wit. This collection shows sides of Ryu Murakami that even avid fans may not be expecting. The intriguing, somewhat disturbing stories that *Topaz* was based on are included here, as are three entertaining and revealing portraits of the artist as a young man back in the Transparent Blue period of the late sixties and early seventies. We hear tales told by four very different individuals living in eighties Tokyo, each with his or her own problems but all with a thing about a certain pro baseball player, and we meet a brokenhearted young woman who finds an unexpected moment of love in the nineties and a single mother who stumbles on a ray of hope in the hard times of the noughties. Mixed in there somewhere are three linked stories about desire and obsession, with the timeless, seductive rhythms of Cuban music in the background. This book contains explicit content and is not suitable for minors. About the author: Ryu Murakami was not yet 24 when he won the prestigious Akutagawa Prize for his debut novel, *Almost Transparent Blue*. He has now published some forty best-selling novels, a dozen short-story collections, an armful of picture books, and a small mountain of essays. In his spare time, Ryu hosts a popular and long-running weekly TV show

focusing on business and economic topics, and has for many years promoted tours and produced records for Cuban musicians. He has written and directed five feature films, of which *Topaz* a.k.a. *Tokyo Decadence* (1992) is probably the best known, and many of his novels have been made into films by other directors (notably Takashi Miike's *Audition*). Translated novels include *Coin Locker Babies* (Noma Prize for New Writers), *Sixty-Nine*, *Popular Hits of the Showa Era*, *Audition*, *In the Miso Soup* (Yomiuri Prize for Literature), *Piercing*, and *From the Fatherland, with Love* (Noma Prize for Literature and Mainichi Publishing Culture Award).

It's just before New Year, and Frank, an overweight American tourist, has hired Kenji to take him on a guided tour of Tokyo's nightlife. But Frank's behaviour is so odd that Kenji begins to entertain a horrible suspicion: his client may in fact have murderous desires. Although Kenji is far from innocent himself, he unwillingly descends with Frank into an inferno of evil, from which only his sixteen-year-old girlfriend, Jun, can possibly save him.

This controversial novel touched the raw nerves of the Japanese and became a million seller within six months of publication. It is a semi-autobiographical tale of the author's youth spent amidst the glorious squalor of sex, drugs and rock 'n' roll in

File Type PDF Ryu Murakami Book Free Library

1970s Japan. Almost Transparent Blue is a brutal tale of lost youth in a Japanese port town close to an American military base. Murakami's image-intensive narrative paints a portrait of a group of friends locked in a destructive cycle of sex, drugs and rock'n'roll. The novel is all but plotless, but the raw and

From the author of Audition, a wickedly satirical and wildly funny tale of an intergenerational battle of the sexes. In his most irreverent novel yet, Ryu Murakami creates a rivalry of epic proportions between six aimless youths and six tough-as-nails women who battle for control of a Tokyo neighborhood. At the outset, the young men seem louche but harmless, their activities limited to drinking, snacking, peering at a naked neighbor through a window, and performing karaoke. The six "aunties" are fiercely independent career women. When one of the boys executes a lethal ambush of one of the women, chaos ensues. The women band together to find the killer and exact revenge. In turn, the boys buckle down, study physics, and plot to take out their nemeses in a single blast. Who knew that a deadly "gang war" could be such fun? Murakami builds the conflict into a hilarious, spot-on satire of modern culture and the tensions between the sexes and generations.

Two babies are left in a Tokyo station coin

locker and survive against the odds, but their lives are forever tainted by this inauspicious start. As they grow up, they join the ranks of Toxitown: a district of addicts, freaks and prostitutes. One becomes a bisexual rock star and looks for his mother, while the other one, an athlete, seeks revenge. This savage and stunning story unfolds in a surrealistic whirl of violence.

Every night, Kawashima Masayuki creeps from his bed and watches over his baby girl's crib while his wife sleeps. But this is no ordinary domestic scene. He has an ice pick in his hand, and a barely controllable desire to use it. Deciding to confront his demons, Kawashima sets into motion a chain of events seemingly to lead inexorably to murder ...

'From the Fatherland, with Love' is set in an alternative, dystopian present in which the dollar has collapsed and Japan's economy has fallen along with it. The North Korean government, sensing an opportunity, sends a fleet of 'rebels' in the first land invasion that Japan has ever faced. Japan can't cope with the surprise onslaught of 'Operation from the Fatherland, with Love.' But the terrorist Ishihara and his band of renegade youths - once dedicated to upsetting the Japanese government - turn their deadly attention to the North Korean threat. They will not allow Fukuoka to fall without a fight.
