See the art that helped create the Grammy Award-nominated music video Do the Evolution by legendary band Pearl Jam, a Rock and Roll Hall of Fame 2017 inductee. Drawing inspiration from the Grammy Award-nominated music video of the same name, Do the Evolution takes fans inside this unforgettable work of art. Directed by visionary comics legend Todd McFarlane (Spawn) and veteran animator Kevin Altieri (Batman: The Animated Series), this achievement in animation told a graphic and dark history of the world in four gripping minutes and is widely considered one of the best music videos of all time. Now, the full story of the making of this historic video will be told. Lushly illustrated by the video's striking animation cells with never before seen storyboards and designs from the video, the video's co-producer, Joe Pearson, will guide readers through the fascinating process of bringing the band's vision to life in this one-of-a-kind art book.

There has never been a band like Pearl Jam. The Seattle quintet has recorded eleven studio albums; sold some 85 million records; played over a thousand shows, in fifty countries; and had five different albums reach number one. But Pearl Jam's story is about much more than music. Through resilience, integrity, and sheer force of will, they transcended several eras, and shaped the way a whole generation thought about art, entertainment, and commerce. *Not for You: Pearl Jam and the Present Tense* is the first full-length biography of America's preeminent band, from *Ten* to *Gigaton*. A study of their role in history - from Operation Desert Storm to the Dixie Chicks; "Jeremy" to *Columbine*; Kurt Cobain to Chris Cornell; Ticketmaster to Trump - *Not for You* explores the band's origins and evolution over thirty years of American culture. It starts with their founding, and the eruption of grunge, in 1991; continues through their golden age (*Vs.*, *Vitalogy*, *No Code*, and *Yield*); their middle period (*Binaural*, *Riot Act*); and the more divisive recent catalog. Along the way, it considers the band's activism, idealism, and impact, from "W.M.A." to the Battle of Seattle and *Body of War*. More than the first critical study, *Not for You* is a tribute to a famously obsessive fan base, in the spirit of Nick Hornby's *Fever Pitch*. It's an old-fashioned - if, at times, ambivalent - appreciation; a reflection on pleasure, fandom, and guilt; and an essay on the nature of adolescence, nostalgia, and adulthood. Partly

social history, partly autobiography, and entirely outspoken, discursive, and droll, Not for You is the first full-length treatment of Pearl Jam's odyssey and importance in the culture, from the '90s to the present.

(Guitar Recorded Versions). Matching folio to their break-through album including 11 songs. Includes: Alive * Black * Deep * Even Flow * Garden * Jeremy * Oceans * Once * Porch * Release * Why Go. Also features photos.

Vitalogy, first published in 1899 and expanded and updated in 1930, was the most popular and influential home health encyclopedia of its day. In the 1990s it inspired a major album by the rock band Pearl

Jam. We have selected and reproduced four chapters from the 1930 edition.

The first scholarly discussion on the band, Pearl Jam and Philosophy examines both the songs (music and lyrics) and the activities (live performances, political commitments) of one of the most celebrated and charismatic rock bands of the last 30 years. The book investigates the philosophical aspects of their music at various levels: existential, spiritual, ethical, political, metaphysical and aesthetic. This philosophical interpretation is also dependent on the application of textual and poetic analysis: the interdisciplinary volume puts philosophical aspects of the band's lyrics in close dialogue with 19th- and 20th-century European and American poetry. Through this widespread philosophical examination, the book further looks into the band's immense popularity and commercial success, their deeply loyal fanbase and genuine sense of community surrounding their music, and the pivotal place the band holds within popular music and contemporary culture.

(Guitar Recorded Versions). All 16 tracks from the band's acclaimed 2010 concept album transcribed note for note with tab. Includes the hit single "Isolation" and: All Hope Is Gone * Breathe Again * Coeur
