three years old. Ben looked away for only a second at the grocery store, but that was all it took. His brother was gone.

"Penpal began as a series of short and interconnected stories posted on an online horror forum. Before long, it was adapted into illustrations, audio recordings, and short films; and that was before it was revised and expanded into a novel. How much do you remember about your childhood? In Penpal, a man investigates the seemingly unrelated bizarre, tragic, and horrific occurrences of his childhood in an attempt to finally understand them. Beginning with only fragments of his earliest years, you'll follow the narrator as he discovers that these strange and horrible events are actually part of a single terrifying story that has shaped the entirety of his life and the lives of those around him"--Amazon.com

Reddit horror sensation Dathan Auerbach delivers a devilishly dark novel about a young boy who goes missing, and the brother who won't stop looking for him. Eric disappeared when he was three years old.

Download Ebook Penpal Dathan Auerbach

Ben looked away for only a second at the grocery store, but that was all it took. His brother was gone. Vanished right into the sticky air of the Florida Panhandle. They say you've got only a couple days to find a missing person. Forty-eight hours to conduct searches, knock on doors, and talk to witnesses. Two days to tear the world apart if there's any chance of putting yours back together. That's your window. That window closed five years ago, leaving Ben's life in ruins. He still looks for his brother. Still searches, while his stepmother sits and waits and whispers for Eric, refusing to leave the house that Ben's father can no longer afford. Now twenty and desperate for work, Ben takes a night stock job at the only place that will have him: the store that blinked Eric out of existence. Ben can feel that there's something wrong there. With the people. With his boss. With the graffitied baler that shudders and moans and beckons. There's something wrong with the air itself. He knows he's in the right place now. That the store has much to tell him. So he keeps searching. Keeps looking for his baby brother, while missing the most important message of all. That he should have stopped looking.

Eager fans have been clamoring for an all-in-one collection of #1 bestselling author Sherrilyn Kenyon's hard-to-find short stories. At their enthusiastic behest, we have delivered this brand-new short

Download Ebook Penpal Dathan Auerbach

story collection that includes stories from long out-of-print works and stories that appeared in several Horror Writers of America short story anthologies. In this collection, Sherrilyn Kenyon takes readers from the Dark-Hunters to witches to demons and everything in-between as she explores the darkest parts of human nature. Dangerous and exciting, each story is one thrill ride after the next, proving time and again how Sherrilyn has captivated millions of readers worldwide. Now, readers are invited to go deep into Kenyon's rich and imaginative mind and experience the heart-racing moments that never stop coming! Included short stories: A Day In The Life Hell Hath No Fury I-O-U Karma The Neighbors Toil & Trouble Devil's In The Details

David and John become embroiled in a new set of horrific but absurd challenges when movie-induced zombie phobia enables a nefarious shape-shifter race to take over the world.

For the better part of a decade, Anita Dalton's "Odd Things Considered" website has served as a unique outpost where sundry odd notions and odd creations;but mostly stacks upon stacks of odd books;are not merely considered, but treated with a kind of earnest analytical attention that;s rarely encountered in contemporary cultural discourse.This massive anthology collects the most memorable

Download Ebook Penpal Dathan Auerbach

and provocative examples of Dalton's conversationally-intoned counter-criticism, with insightful discussions of overlooked literature, anthropodermic bibliopegy, serial killer memoirs, outsider manifestos, and conspiracy theories (among many other outré subjects) converging to illuminate a vast and volatile psycho-literary topography that has been ignored or deplored (but seldom explored) by our reigning arbiters of taste and culture. When you're ready to put down that Jonathan Franzen doorstop, consider picking up a copy of Anita Dalton's TL;DR: The Best of Odd Things Considered. You'll see what you've been missing.

When I was 17 years old and living in Europe, a strange woman started following me. She would find me everywhere. And all she wanted me to do was take her orange. I moved to America a year after the first incident. Ten years later, she found me again. This is the story of her, the woman holding the orange. --from the back of the book.

Discusses the author's choice to not have children and how it shapes and affects her comedy career, and provides humorous advice to those making similiar choices on how to handle friends and family pressuring them to have a child.

Charles and Laura are a young, happily married couple inhabiting the privileged world of Cambridge academia. Brimming with excitement, Charles sets off with his daughter Naomi on a Christmas Eve shopping trip to London. But, by the end of the day, all Charles and his wife have left are cups of tea and police sympathy. For Naomi, their beautiful, angelic only child, has disappeared. Days later her murdered body is discovered. But is she dead? In a howling, bumping story of past and present day hell, Jonathan Aycliffe's haunting psychological masterpiece is guaranteed to make you sink to untold depths of teeth-shaking terror.
