"Perfect Escape" by Jennifer Brown is another fantastic read. I'm starting to believe that woman can't do anything wrong when it comes to writing. Just as with her other books, she isn't scared to pick up a difficult topic in this book and doesn't shy away of showing flawed characters, people who make mistakes and who aren't always good.

JENNIFER BROWN What inspired you to write this book? The idea for Perfect Escape came to me, as story ideas so often do, pretty much out of nowhere. One day the first sentence—“I was six the first time we found Grayson at the quarry”—popped into my head, and I envisioned this little boy hunkered down against a pile of rocks, miserable.

For readers of Marieke Nijkamp's *This Is Where It Ends*, a powerful and timely contemporary classic about the aftermath of a school shooting. Five months ago, Valerie Leftman's boyfriend, Nick, opened fire on their school cafeteria. Shot trying to stop him, Valerie inadvertently saved the life of a classmate, but was implicated in the shootings because of the list she helped create. A list of people and things she and Nick hated. The list he used to pick his targets. Now, after a summer of seclusion, Val is forced to confront her guilt as she returns to school to complete her senior year. Haunted by the memory of the boyfriend she still loves and navigating rocky relationships with her family, former friends, and the girl whose life she

saved, Val must come to grips with the tragedy that took place and her role in it, in order to make amends and move on with her life. Jennifer Brown's critically acclaimed novel now includes the bonus novella Say Something, another arresting Hate List story.

When Alex falls for the charming new boy at school, Cole -- a handsome, funny, sports star who adores her -- she can't believe she's finally found her soul mate . . . someone who truly loves and understands her. At first, Alex is blissfully happy. Sure, Cole seems a little jealous of her relationship with her close friend Zack, but what guy would want his girlfriend spending all her time with another boy? As the months pass, though, Alex can no longer ignore Cole's small put-downs, pinches, or increasingly violent threats. As Alex struggles to come to terms with the sweet boyfriend she fell in love with and the boyfriend whose "love" she no longer recognizes, she is forced to choose -- between her "true love" and herself.

Ashleigh's boyfriend, Kaleb, is about to leave for college, and Ashleigh is worried that he'll forget about her while he's away. So at a legendary end-of-summer pool party, Ashleigh's friends suggest she text him a picture of herself -- sans swimsuit -- to take with him. Before she can talk herself out of it, Ashleigh strides off to the bathroom, snaps a photo in the full-length mirror, and hits "send." But when Kaleb and Ashleigh go through a bad breakup, Kaleb takes revenge by forwarding the text to his baseball team. Soon the photo has gone viral, attracting the attention of the school board, the local police, and the media. As her friends and family try to distance

themselves from the scandal, Ashleigh feels completely alone -- until she meets Mack while serving her court-ordered community service. Not only does Mack offer a fresh chance at friendship, but he's the one person in town who received the text of Ashleigh's photo -- and didn't look. Acclaimed author Jennifer Brown brings readers a gripping novel about honesty and betrayal, redemption and friendship, attraction and integrity, as Ashleigh finds that while a picture may be worth a thousand words . . . it doesn't always tell the whole story.

When her town is devastated by a tornado, Jersey loses everything. As she struggles to overcome her grief, she's sent to live with relatives she hardly knows -- family who might as well be strangers.
