Chosen as a summer read by the Guardian and Telegraph 2020 Patrick Süskind's Perfume is a classic novel of death and sensuality in Paris In eighteenth-century France there lived a man who was one of the most gifted and abominable personages in an era that knew no lack of gifted and abominable personages. His name was Jean-Baptiste Grenouille, and if his name has been forgotten today, it is certainly not because Grenouille fell short of those more famous blackguards when it came to arrogance, misanthropy, immorality, or, more succinctly, wickedness, but because his gifts and his sole ambition were restricted to a domain that leaves no traces in history: to the fleeting realm of scent . . . 'An astonishing tour de force both in concept and execution' Guardian 'A meditation on the nature of death, desire and decay ... a remarkable début' Peter Ackroyd, The New York Times Book Review 'An ingenious and totally absorbing fantasy' Daily Telegraph 'Witty, stylish and ferociously absorbing' Observer

An acclaimed bestseller and international sensation, Patrick Suskind ' s classic novel provokes a terrifying examination of what happens when one man ' s indulgence in his greatest passion—his sense of smell—leads to murder. In the slums of eighteenth-century France, the infant Jean-Baptiste Grenouille is born with one sublime gift—an absolute sense of smell. As a boy, he lives to decipher the odors of Paris, and apprentices himself to a prominent perfumer who teaches him the ancient art of mixing precious oils and herbs. But Grenouille ' s genius is such that he is not satisfied to stop there, and he becomes obsessed with capturing the smells of objects such as brass doorknobs and fresh-cut wood. Then one day he catches a hint of a scent that will drive him on an ever-more-terrifying quest to create the " ultimate perfume " —the scent of a beautiful young virgin. Told with dazzling narrative brilliance, Perfume is a hauntingly powerful tale of murder and sensual depravity. Translated from the German by John E. Woods.

Enter the unexpected and intriguing realm of scent, where fragrances have the power to calm as well as to stimulate. These tales from the ancient quest for pleasing aromas offer a microcosm of history's larger movements, from the scented sails of Cleopatra's barges to modern-day fashion trends. This book is more than a historical overview of one of the world's oldest industries, although it's comprehensive, well-researched, and scrupulously accurate in its details. Neither is it just a book of pretty pictures, even though it's abundantly illustrated with lovely drawings and photographs that include every variety of perfume bottle, ads, paintings, as well as famous (and infamous) figures. Fragrance pursues its subject's very essence, with a rich panoply of insights that ranges from the botanical origins of fragrant oils and the role of aromatics in economic and religious life to the ways in which scents influence behavior and chemists extract, preserve, and reproduce fragrances. A fascinating stirring of the senses.

To women the whole world over, perfume means glamour, and in the world of perfume, Jean-Claude Ellena is a superstar. In this one-of-a-kind book, the master himself takes you through the doors of his laboratory and explains the process of creating precious fragrances, revealing the key methods and recipes involved in this mysterious alchemy. Perfume is a cutthroat, secretive multibillion-dollar industry, and Ellena provides an insider ' s tour, guiding us from initial inspiration through the mixing of essences and synthetic elements, to the deluxe packaging and marketing in elegant boutiques worldwide, and even the increasingly complicated safety standards that are set in motion for each bottle of perfume that is manufactured. He explains how the sense of smell works, using a palette of fragrant materials, and how he personally chooses and composes a perfume. He also reveals his unique way of creating a fragrance by playing with our olfactory memories in order to make the perfume seductive and desired by men and women the world over. Perfume illuminates the world of scent and manufactured desire by a perfumer who has had clients the likes of Cartier, Van Cleef & Arpels, Bulgari, and Hermès.

For as long as anyone can remember, a man named Luca Turin has had an uncanny relationship with smells. He has been compared to the hero of Patrick Süskind ' s novel Perfume, but his story is in fact stranger, because it is true. It concerns how he made use of his powerful gifts to solve one of the last great mysteries of the human body: how our noses work. Luca Turin can distinguish the components of just about any smell, from the world ' s most refined perfumes to the air in a subway car on the Paris metro. A distinguished scientist, he once worked in an unrelated field, though he made a hobby of collecting fragrances. But when, as a lark, he published a collection of his reviews of the world ' s perfumes, the book hit the small, insular business of perfume makers like a thunderclap. Who is this man Luca Turin, they demanded, and how does he know so much? The closed community of scent creation opened up to Luca Turin, and he discovered a fact that astonished him: no one in this world knew how smell worked. Billions and billions of dollars were spent creating scents in a manner amounting to glorified trial and error. The solution to the mystery of every other human sense has led to the Nobel Prize, if not vast riches. Why, Luca Turin thought, should smell be any different? So he gave his life to this great puzzle. And in the end, incredibly, it would seem that he solved it. But when enormously powerful interests are threatened and great reputations are at stake, Luca Turin learned, nothing is quite what it seems. Acclaimed writer Chandler Burr has spent four years chronicling Luca Turin ' s quest to unravel the mystery of how our sense of smell works. What has emerged is an enthralling, magical book that changes the way we think about that area between our mouth and our eyes, and its profound, secret hold on our lives.

A LOS ANGELES TIMES TOP 10 BEST BOOK OF THE SUMMER A Gentleman in Moscow meets "Moulin Rouge" in this stylish, sexy page-turner set in Paris on the eve of World War II, where Clementine, a queer American ex-pat and notorious thief, is drawn out of retirement and into one last scam when the Nazis invade. "[A] superb novel. . . This is historical fiction at its finest, vivid and beautifully rendered."--EMILY ST JOHN MANDEL author of The Glass Hotel Clementine is a seventy-two year-old reformed con artist with a penchant for impeccably tailored suits. Her life of crime has led her from the uber-wealthy perfume junkies of belle époque Manhattan, to the scented butterflies of Costa Rica, to the spice markets of Marrakech, and finally the bordellos of Paris, where she settles down in 1930 and opens a shop bottling her favorite extracts for the ladies of the cabarets. Now it's 1941 and Clem's favorite haunt, Madame Boulette's, is crawling with Nazis, while Clem's people--the outsiders, the artists, and the hustlers who used to call it home--are disappearing. Clem's first instinct is to go to ground--it's a frigid Paris winter and she's too old to put up a fight. But when the cabaret's prize songbird, Zoe St. Angel, recruits Clem to steal the recipe book of a now-missing famous Parisian perfumer, she can't say no. Her mark is Oskar Voss, a Francophile Nazi bureaucrat, who wants the book and Clem's expertise to himself. Hoping to buy the time and trust she needs to pull off her scheme, Clem settles on a novel strategy: Telling Voss the truth about the life and loves she came to Paris to escape. Complete with romance, espionage, champagne towers, and haute couture, this full-tilt sensory experience is a dazzling portrait of the underground resistance of twentieth-century Paris and a passionate love letter to the power of beauty and community in the face of insidious hate.

Jitterbug Perfume is an epic. Which is to say, it begins in the forests of ancient Bohemia and doesn ' t conclude until nine o ' clock tonight (Paris time). It is a saga, as well. A saga must have a hero, and the hero of this one is a janitor with a missing bottle. The bottle is blue, very, very old, and embossed with the image of a goat-horned god. If the liquid in the bottle actually is the secret essence of the universe, as some folks seem to think, it had better be discovered soon because it is leaking and there is only a drop or two left.
