There's more to creative
visualization than meets
the eye! In this
groundbreaking volume,
first published in 1967,

Page 39/97

Read Online

Perry39s

Ophiel lays out the 10 Laws of Creative Visualization. Once understood, they are as simple and as real as the laws of gravity or magnetism. In other words, they work.

Ophiel tells us how to do -- and undo -- the magic of visualization. Whether we want a new job, a new house, a new relationship, or a warm

Read Online

Perry39s

coat -- we can manifest that which will create happiness and comfort in our lives. And, should we discover that we've gotten it wrong -- that we neither want nor need what we've visualized, there are techniques to undo what has been done. Along with the theory, Ophiel offers plenty of practice in working with

Read Online

Perry39s

symbols, visualizing physical reality, making a "treasure chart, " and understanding the role of emotion in visualization. Work with the symbols in the book and learn how to create your own. This is practical metaphysics at its best. Love spells are forever, but if you want the object of your affection to go away,
