When fifteen-year-old Lucy and her father move to Malibu, California, for a fresh start, Lucy tries out as a kicker for the varsity football team and feels strong and in control for the first time since her mother's death--as long as her overprotective father does not find out. Original.

Athletic contests help define what we mean in America by "success." By keeping women from "playing with the boys" on the false assumption that they are inherently inferior, society relegates them to second-class citizens. In this forcefully argued book, Eileen McDonagh and Laura Pappano show in vivid detail how women have been unfairly excluded from participating in sports on an equal footing with men. Using dozens of powerful examples--girls and women breaking through in football, ice hockey, wrestling, and baseball, to name just a few--the authors show that sex differences are not sufficient to warrant exclusion in most sports, that success entails more than brute strength, and that sex segregation in sports does not simply reflect sex differences, but actively constructs and reinforces stereotypes about sex differences. For instance, women's bodies give them a physiological advantage in endurance sports, yet many Olympic events have shorter races for women than men, thereby camouflaging rather than revealing women's strengths.

Two feuding sisters from Malibu, California, take their rivalry to the soccer field when both girls make the high school team.

The use of female sideline reporters is the fastest-growing new aspect of televised broadcasts of professional and college football. Names like Suzy Kolber, Erin Andrews, and Andrea Kremer are now as well known as any of the men in the booth. In recent years women have been sports columnists and reporters, talk-show hosts, even coaches and team administrators. And yet there has never been a book about this phenomenon. Former ESPN news anchor Betsy Ross fills this void with Playing Ball with the Boys, a fascinating, behind-the-scenes look at the emerging role that women play in sports broadcasting and reporting as well as in the business of sports. Ross interviews a number of the biggest names--from Kolber and Kremer to USA Today columnist Christine

Brennan and Lesley Visser and many others--who offer first-hand accounts of the struggles and the triumphs of women playing what has always been a man's game. She provides a history of this unique facet of the sports world, from pioneering female newspaper sports reporters to the celebrated breakthrough into televised sports by former Miss America Phyllis George, who is interviewed in the book. Ross covers the controversial moments, from locker room confrontations between players and female reporters to the infamous sideline interview in which Joe Namath attempted to kiss Suzy Kolber during a live broadcast. Readers also learn of women who played pro sports on male teams or coached men's teams. They meet a woman who runs a professional baseball team and another who is a team doctor. Through this tale, Ross weaves her own story, recalling how she went from a small town in Indiana to the anchor's chair at the largest sports network in the world, ESPN. She explains what it's like for a woman to succeed in the male-dominated world of sports broadcasting.

Memoir about business story about a woman who shatters the glass ceiling and the mystery heritage that paved the way. She shares her Lucy Moments that happened around the globe making each trip an adventure, She was the first producing partner in a company with ties to Lloyd's of London where women were not allowed on the underwriting floor for 300 years.

New girl Lucy is desperate for friends. She tries out for Beachwood High soccer but, despite her amazingly accurate kick, fails to make the team. When the coach points out that varsity football is looking for a new kicker, Lucy is skeptical. Football? Isn't that a boys' game? But on the gridiron, Lucy discovers that she feels strong—in control for the first time since her mother died. She loves football. She actually wants to play! (She also wants to hang out with super-cute quarterback Ryan Conner. But that's just icing on the cake.) Too bad no one else wants her on the team. Not the coach, her teammates, or especially her overprotective dad. Will Lucy cave in to the pressure? Or will she prove she's pretty tough after all?

From the author of *The Dirty Girls Social Club* comes another fast, funny, soulful, and sexy novel about friendship and love amid Latinas. It's a jungle out there -- in Los Angeles, that is, where the tangle of freeways and ingrained insincerity can make a girl feel very alone, no matter how fabulous the weather or how cute the clothes at the South Coast Plaza mall. With very different styles and attitudes, Marcella, Olivia, and Alexis are trying to crack the code in L.A., trying to snare love and success. But first they have to come together—to make their marks and plan the fun they're going to have along the way. Marcella is a hot, sharp young television actress who's barely able to enjoy the life she's bought for herself and certainly isn't enjoying her body, which is never quite perfect enough. Olivia, whose life revolves around her toddler son, Jack, is tethered to her suburban mommy track so tightly she can almost forget the horrible thing that happened to her family when she was a child herself. Alexis is a musicians' manager with a smart mouth, an ample body, and loads of style but barely enough self-esteem to fill a Prada card case. And the boys in their lives? Marcella's had about enough of them throwing themselves at her; Olivia's boy is her son; and Alexis is still searching, not for a boy this time, but for a man. *Playing with Boys* is a savvy novel with charm, style, and heart to spare.

Hockey meets the #MeToo movement in this powerful debut novel. Michigan Manning lives for hockey, and this is her year to shine. That is, until she gets some crushing news: budget cuts will keep the girls' hockey team off the ice this year. If she wants colleges to notice her, Michigan has to find a way to play. Luckily, there's still one team left in town ... The boys' team isn't exactly welcoming, but Michigan's prepared to prove herself. She plays some of the best hockey of her life, in fact, all while putting up with changing in the broom closet, constant trash talk and "harmless" pranks that always seem to target her. But once hazing crosses the line into assault, Michigan must weigh the consequences of speaking up — even if it means putting her future on the line.

For instance, women's bodies give them a physiological advantage in endurance sports, yet many Olympic events have shorter races for women than men, thereby camouflaging rather than revealing women's strengths.

As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a household classic that will now reach an even wider audience. Never before have Shel Silverstein's children's books appeared in a format other than hardcover. Since it was first published fifty years ago, Shel Silverstein's poignant picture book for readers of all ages has offered a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss these other Shel Silverstein ebooks, *Where the Sidewalk Ends*, and *A Light in the Attic!*
