In a world where emotion can be a deadly weapon, one slight, battered runaway holds the key to a dark and twisted enigma. . . Drink of me, she whispers, her silver eyes trusting, pleading. What female dares speak such words to one of the Sánge? His people are scorned by every race for their fierce sensuality, their fearful rituals. And as Prime, Reule is the most telepathically gifted of them all. But nothing has prepared him for the intensity of emotion radiating from the outlander rescued by his Pack. Terrified, tormented, but beautiful beyond measure, Mystique shatters his legendary control. As she reaches for him in the steamy heat of the healing baths, he knows this blind need can have but one end. . . In blood, in knowledge, in ecstasy. Praise for the Novels of Jacquelyn Frank "A lush narrative sure to please readers who have longed for new gothic and darkly romantic tales." --Booklist on Gideon "Frank's NIGHTWALKER series depicts an engrossing alternate world, drawn in prose that is lush and lyrical." --Linda Howard

When he is rescued from a fate worse than death by Ashla Townsend, a beautiful, fragile human, Trace, a powerful Shadowdweller, forms a bond with this woman, who holds the key to uncovering a long-buried secret and whom he is forbidden to love. Original.

At one with the darkness, the mysterious Shadowdwellers must live as far from light-loving humans as possible in order to survive. Yet one damaged human woman will tempt the man behind the Shadowdweller throne into a dangerous desire... Worlds Couldn't Keep Them Apart Among the Shadowdwellers, Trace holds power that some are willing to kill for. Without a stranger's aid, one rival would surely have succeeded, but Trace's brush with death is less surprising to him than his reaction to the beautiful, fragile human who heals him. By rights, Trace should hardly even register Ashla's existence within the realm of Shadowscape, but instead he is drawn to everything about her--her innocence, her courage, and her lush, sensual heat... After a terrifying car crash, Ashla Townsend wakes up to find that the bustling New York she knew is now eerie and desolate. Just when she's convinced she's alone, Ashla is confronted by a dark warrior who draws her deeper into a world she never knew existed. The bond between Ashla and Trace is a mystery to both, but searching for answers will mean confronting long-hidden secrets, and uncovering a threat that could destroy everything Trace holds precious...

Adrian uses his powers over the realm of sleep to reap the dark energy of nightmares until he meets Kathryn, a woman he risks everything to obtain, not realizing that she has the power to save him or destroy them both.

The Shadowdwellers live in a realm of darkness and sensuality, where order is prized and sin must be punished. Yet for Magnus, the head priest of Sanctuary, salvation rests with the one woman who can entice him to break every rule. . . She Was The Ultimate Temptation Magnus is a man of contradictions--a spiritual leader in a warrior's body. To him, laws are for enforcing and visions must be followed--even if that means freeing a beautiful slave and making her his reluctant handmaiden. Betrayed once before, Magnus can barely bring himself to trust another woman. Yet Daenaira's fiery innocence is drawing them both into a reckless inferno of desire. Daenaira grew up hearing tales of a fearsome priest who seemed more myth than reality. But Magnus is very real--every inch of him--and so is the treachery surrounding them. Beneath Sanctuary's calm surface, an enemy is scheming to unleash havoc on the Shadowdwellers, unless Magnus trusts in a union ordained by fate, and sealed by unending bliss. . .

Surrendering to otherworldly desire has never been so dangerous--and deliciously satisfying. . . "The Phoenix Project" by Jacquelyn Frank Held captive, Amara is subjected to bizarre experiments that test the limits of her sanity. But nothing prepares her for being locked away--naked--with a sexy ex-cop. . .after they've been pumped full of drugs that increase their sexual appetites to animalistic intensity. . . "Crystal Dreams" by Kate Douglas When Lemurian Guard Darius chases a demon spirit to Earth, he faces a lethal battle between good and evil. His ally is Mari, a breathtakingly beautiful human who unknowingly holds the key to victory. But before the war is over, Darius's desire for his mortal companion threatens to erupt--and could cost Mari her life. . . "Spark of Temptation" by Jess Haines Blackmailed into taking a treacherous case, P.I. Sara Hallway is thrust into a demon war. Sara seeks guidance from a charismatic mage, but their hunger for one another soon becomes a deadly distraction. . .and the danger surrounding them only makes their urges more powerful. . . "My Soul to Take" by Clare Willis New Orleans native Dr. Maggie Dillon thought she left her past behind her--until she's enraptured by a handsome patient who has been possessed by a malevolent spirit. To find a cure, Colby revisits her magical roots--and unleashes a primal lust too vital to ignore. . .

Held prisoner by those who want to abuse her gifts, Ravenna, the leader of the Chosen Ones, finds a savior--and lover--in Bronse Chapel, the commander of a specialized unit of the Interplanetary Militia, who will stop at nothing to save her and her people from evil. Original.

From New York Times bestselling author Jacquelyn Frank comes the final chapter in the Nightwalkers saga! As the momentous showdown with a powerful demon unfolds, a passionate encounter breaks the ultimate taboo. Kamen is a Bodywalker, an ancient soul reborn in one human host after another. He's also a prisoner of his own kind: for it was Kamen who released Apep, the deadly god who threatens the existence of their world. To atone for this grievous error, Kamen accepts an urgent mission: to convince the other nations of the Nightwalkers to set aside their centuries-old conflicts and band together. If he fails, all will be lost. And no tribe presents a greater challenge than the Wraiths, the spectral beings who are feared and despised for their lethal deathtouch. Kamen makes first contact with a stunning, ghostly pale beauty named Geneviève. Part Wraith and part human, scorned as a half-breed, Viève shares the hunger for redemption—and for connection. Her scintillating touch holds the kiss of death, and yet it makes Kamen feel more alive than ever. Soon his lips are pressed against hers, sending Viève into fits of desire and forging a bond that breaches the divide between them. Now they must unite all the Nightwalkers, from Vampire and Shadowdweller to Djynns, and fast—for Apep is ready for war.
