because it means 'dead' in Arabic. On New Year's Eve in 2012, Matthew Schrier was headed home from Syria, where he'd been photographing the intense combat of the country's civil war. Just 45 minutes from the safety of the Turkish border, he was taken prisoner by the al Nusra Front—an organization the world would come to know as the Syrian branch of Al Qaeda. Over the next seven months he would endure torture and near starvation in six brutal terrorist prisons. He'd face a daily struggle just to survive. And, eventually, he'd escape. In this gripping, raw, and surprisingly funny memoir, Schrier details the horrifying and frequently surreal experience of being a slight, wisecracking Jewish guy held captive by the world's most violent Islamic extremists. Managing to keep his heritage a secret, Schrier

used humor to develop relationships with his captors—and to keep himself sane during the long months of captivity. *The Dawn Prayer (Or How to Survive in a Secret Syrian Terrorist Prison): A Memoir* is a tale of patriotism and unimaginable bleakness shot through with light . . . of despair and friendship, sacrifice and betrayal, in a setting of bombed-out buildings and shifting alliances. It's the story of the first Westerner to escape al Qaeda—not a battle-hardened soldier, but an ordinary New Yorker who figured out how to set his escape plan in motion from a scene in Jurassic Park. From the prisoners' fiercely competitive hacky sack games and volleyball tournaments (played using a ball made of shredded orange peels and a shoelace) to his own truly nail-biting outbreak, Matthew Schrier's story is

unforgettable—and one you won't want to miss.

Ha Jin ' s masterful new novel casts a searchlight into a forgotten corner of modern history, the experience of Chinese soldiers held in U.S. POW camps during the Korean War. In 1951 Yu Yuan, a scholarly and self-effacing clerical officer in Mao ' s “ volunteer ” army, is taken prisoner south of the 38th Parallel. Because he speaks English, he soon becomes an intermediary between his compatriots and their American captors. With Yuan as guide, we are ushered into the secret world behind the barbed wire, a world where kindness alternates with blinding cruelty and one has infinitely more to fear from one ' s fellow prisoners than from the guards. Vivid in its historical detail, profound

in its imaginative empathy, War Trash is Ha Jin ' s most ambitious book to date.

Forfatteren er født i Ukraine. I mange år journalist i Argentina. Arresteredes og udvistes til Israel. Med anledning i Israels invasion i Libanon retter han en stærk anklage mod Israels regerings katastrofale politik, som har ført direkte til massakren i Beirut.

From 1976-1983, an estimated 30,000 people disappeared in Argentina. They were victims of the “ Dirty War ” – a brutal campaign designed by the government to root out possible subversives. Those suspected of being dissidents were kidnapped and taken to secret detention centers. Most

Download Ebook Prisoner Without A Name Cell Number Jacobo Timerman

were tortured and then killed – never seen again. Robert J. Cox, editor of the Buenos Aires Herald, did what few others were willing to do – he told the truth about what was happening. Every day his newspaper reported on the kidnappings and killings. He challenged those in power – asking questions and demanding answers. Cox's commitment to reporting the truth made him a hero to the families of the disappeared, but an enemy of the state. This is the remarkable story of one man's courage in the face of adversity. It is the story of a man dedicated to protecting the freedom of the press and to protecting his family. It is the story of those who disappeared and the man who stayed in order to tell their stories. Cox's story is told by his son David who grew up under the pall of terrorism, but was inspired

Download Ebook Prisoner Without A Name Cell Number Jacobo Timerman

by his father's “ great courage to write what was true. ” He has written the book that his father could not.

Nora Strejilevich was a young woman when her brother and other family members and friends disappeared at the hands of the military junta that held power in Argentina from 1976 to 1983. Ostensibly part of a systematic campaign to eliminate left-wing terrorism, the violence perpetrated by the junta far exceeded anything the leftists ever dreamed of, enveloping not only the violent left but other dissidents and innocent civilians as well, and particularly targeting the Jewish population. A desaparecida herself, Strejilevich survived kidnapping and torture to speak of her experience with a dignified voice and a clear-eyed realism that extends

Download Ebook Prisoner Without A Name Cell Number Jacobo Timerman

from one end of the political spectrum to the other. In the first English translation of her elegant fictional memoir *Una sola muerte numerosa*, Strejilevich combines autobiography, documentary journalism, fiction, magical realism, and poetry to express the "choir of voices" of the more than 30,000 souls who were imprisoned and abused. She engages the reader in the history of a bloody military coup and state-sanctioned anti-Semitism, exploring themes of exile, identity, and violence. Above all, *A Single, Numberless Death* is Nora Strejilevich's gripping story of survival.
