Protecting Alabama by Susan Stoker. Book 2 of the SEAL of Protection series. While it didn't have the action that the first in tge series - Protecting Caroline- had, Susan Stoker didn't disappoint with this second book in the series. Although it didn't have the fighting action, I felt that it showed the difffence in men that make up the team.

Alabama didn't have a good start to life. Emotionally and physically abused by her mama, Alabama spent her high school years in foster care. People let her down, time after time, and she'd learned to rely on only herself. Christopher "Abe" Powers earned his nickname because he tolerated nothing less than absolute honesty from the people around him. Finding the bar scene stale and having watched his friend and teammate, Wolf, find the woman of his dreams, Abe was determined to find someone to share his life with too. Alabama and Abe had no idea their paths would cross and their prayers would be answered, but like most things in life, nothing is ever as easy as it seems at first. Two words would change both their lives and they'd have to fight hard for their happy ever after.

A second chance at happiness is rare, but they will stop at nothing for love and family. At just ten years old, Tommy has already been through more horror than most people suffer their entire lives. So when he's placed in his latest foster home, under the gentle care of Abe and Alabama Powers, he lashes out. He's scared, confused, angry...and convinced it won't be long before these new foster parents send him away, too. No one wants a boy his age, especially one who's broken, dirty. It'll take all of Alabama and Abe's love, the sibling adoration of his foster sisters, Brinique and Davisa, and Abe's entire extended SEAL family to prove to Tommy that being nice, being respectful, and opening his heart to love are things he can choose. Even still, despite so much support, it's hard for Tommy to believe he deserves a loving family, and a second chance at happiness. Until one of the most unexpected friends arrives, just when Tommy needs him the most. He'll show the little boy just how special he is...even if he has to use a little magic to prove it. **\*\*Protecting Alabama's Kids is in the SEAL of Protection Series.** It can be read as a stand-alone, but it's recommended you read the books in order to get maximum enjoyment out of the series. --- Read what others are saying about New York Times bestselling author, Susan Stoker: "Susan Stoker never disappoints. How far will one man go to save the life of a stranger? More importantly to Caroline, will he do it twice? Matthew "Wolf" Steel hated flying commercial. Luckily his job as a Navy SEAL meant he didn't have to do it very often. He'd been unlucky enough to be assigned a middle seat on the cramped jet, but fortunately for him, the woman next to him was willing to switch seats with him. Hoping for a relaxing flight, Wolf was pleasantly surprised at the good conversation and sense of humor the woman had as they flew 36,000 feet over the countryside. When Caroline boarded the plane to Virginia to move across the country for her new job she never expected to be seated next to the hottest guy she'd ever seen. She also never expected he'd be so easy to talk to. She knew he'd never be interested in talking to her if he hadn't been trapped in the seat next to her, but it was a nice way to spend a long plane ride. Neither Wolf nor Caroline were prepared for a terrorist hijacking of their plane, but if Caroline thought that would be the last time she'd see, or need, Wolf, she'd be sorely mistaken. **\*\*Protecting Caroline is a stand-alone love story. She knew she wasn't brave, but time was running out and she was the only one who could save his life. Kason "Benny" Sawyer was the last single man on his Navy SEAL team. He loved his teammates like brothers and respected each and every one of their women. They'd all been through hell and they deserved their current happiness. But seeing the love between his friends and their women made it tough to be the odd man out all the time. Jessyka Allen had a good life, until it wasn't anymore. Finding herself in an impossible situation, with no noticeable way out, her job was an escape. Working at the small Bar and Grill put her in contact with some wonderful people, who Jess figured couldn't ever understand what she was going through. Being a SEAL, Benny thought he knew the true meaning of teamwork and friendship. But Jess would show him that everything he thought he knew about sacrifice, trust, and love, paled in comparison to what she brought into his world. **\*\*Protecting Jessyka is the 6th book in the SEAL of Protection Series. Sweat clung to every inch of her body and her legs were aching. But after the hell she'd been through, she welcomed the pain. Cookie "Hunter" Knox was good at his job, infiltrating behind enemy lines was one of his specialties. His SEAL team relied on him to do his job, just as he relied on them to do theirs. Ever since two of his teammates found a woman that completed them, their dangerous Ops seemed a bit more intense. Cookie knew if he had a woman who belonged to him, he'd never let her go. Little did he know the SEAL team's latest mission to Mexico would change his life forever. Fiona Storme resigned herself to the fact that it was highly unlikely she would make it out of the jungle alive. Kidnapped by human traffickers, abused, and without family or friends looking for her, Fiona knew wishing for rescue was as realistic as having a big, juicy hamburger fall from the sky. Unbeknownst to Fiona, the SEAL team, including Cookie, were on the way, but their assignment didn't consist of rescuing her. **\*\*Protecting Fiona is the 3rd book in the SEAL of Protection Series. She might be killed by the bomb strapped to her chest, but she wasn't going to bring anyone else down with her. Living in Southern California, Cheyenne was used to seeing hot military men as she went about her daily business. An anonymous encounter at the grocery store cemented her crush on one such man. He was big, built, and incredibly easy on the eyes, but it wasn't as if he would ever really notice her. Always in control of any situation, Faulkner "Dude" Cooper knows explosives. As a bomb expert, he's lived through many high pressure situations. Disfigured by a bomb while on a mission, he's used to being looked at with pity. When he's called to a local supermarket to assist the local PD, the last thing he expects to find is a generous act of kindness performed by a beautiful, amazing woman. Enchanted by her selflessness in the face of danger and intrigued by her actions to save civilians she didn't know, Dude's hooked. Dude was able to save Cheyenne from the group of thugs trying to take her life, but when the past comes back to haunt them both, sometimes having the knowledge and the desire isn't enough to beat the countdown of the clock. \*\*Protecting Cheyenne is the 5th book in the SEAL of Protection Series. When you give your heart to a soldier, every moment is precious. While life is blossoming at home, death awaits abroad and a hero's work is never done. Wolf and his fellow SEAL team members have saved many lives, and been in even more harrowing situations, but their latest mission might prove the most difficult of all. Charged with rescuing American soldier, Sergeant Penelope Turner, from the clutches of ISIS, the men infiltrate the refugee camp where she's believed to be held. The conditions are horrific, the search nearly impossible, but Penelope herself could prove the key to their success...if the SEALs can interpret her clues. An unforgiving desert, perilous mountain terrain, a rising body count and insurgents on the hunt...all of this and more stands between the SEALs completing their mission and returning home to their women, left to bravely deal with fears of their own stateside. Sometimes a mission is more than one team can handle. With a little help from newfound friends, the SEALs won't stop until they've won the day. Failure is not an option. \*\* Protecting the Future is the 8th book in the Seal of Protection Series. Each book is a stand-alone, with no cliffhanger endings. --- Read what others are saying about New York Times bestselling author, Susan Stoker: "Susan Stoker is the master of military romantic suspense.
