Caroline gets on a plane and never expects it to change her life...after helping to save the lives of everyone on board, she spends a few days with the Navy SEAL who was beside her every step of the way. Now the terrorists are after her...will Wolf and his team make it back to save her life? Book 2: Protecting Alabama: Abe meets the woman of his dreams in the middle of a raging fire. Alabama is damaged from her horrible childhood. See how Abe woos the woman for him and then how he screws it up. Can Alabama get past what Abe did? Can Abe make amends to Alabama? Book 3: Protecting Fiona: Fiona has been rescued after being kidnapped and held in Mexico. The SEAL team, with Hunter, AKA “Cookie” rescues her and brings her back to the States. She has some healing to do, and even though she's free, sometimes that isn't enough to keep the demons at bay. Book 3.5, Marrying Caroline (novella): Caroline and Wolf had a wild start to their relationship...plane hijacking, kidnapping, attempted drowning, and a terrorist plot foiled. Now things have calmed down and a wedding is in the works for the couple. By enlisting the help of Wolf's teammate, Cookie, Caroline is immersed in plans for her dream wedding. Of course, with their luck, things can never go off without a hitch.

Alabama didn't have a good start to life. Emotionally and physically abused by her mama, Alabama spent her high school years in foster care. People let her down, time after time, and she'd learned to rely on only herself. Christopher “Abe” Powers earned his nickname because he tolerated nothing less than absolute honesty from the people around him. Finding the bar scene stale and having watched his friend and teammate, Wolf, find the woman of his dreams, Abe was determined to find someone to share his life with too. Alabama and Abe had no idea their paths would cross and their prayers would be answered, but like most things in life, nothing is ever as easy as it seems at first. Two words would change both their lives and they'd have to fight hard for their happy ever after.

A love that spans the test of time...from their first meeting, to their wedding, to when they're old and gray, Wolf and Caroline have a relationship to be envied. Start the saga of Caroline and Wolf with Protecting Caroline. The Navy SEAL is seated next to the quiet woman on a plane, and finds out she's much more than meets the eye. Caroline discovers exactly how strong she is when terrorists target her not once, not twice, but three times. The duo overcomes extreme odds to beat the terrorists and find their happily ever after. In Marrying Caroline the pair has settled down and is looking forward to their beautiful wedding, but with their luck, things can never go off without a hitch. And lastly, in the hauntingly moving story, The Boardwalk, learn exactly what the term, "true love" means and how far one man will go to protect the woman he loves.

A second chance at happiness is rare, but they will stop at nothing for love and family. At just ten years old, Tommy has already been through more horror than most people suffer their entire lives. So when he's placed in his latest foster home, under the gentle care of Abe and Alabama Powers, he lashes out. He's scared, confused, angry...and convinced it won't be long before these new foster parents send him away, too. No one wants a boy his age, especially one who's broken, dirty. It'll take all of Alabama and Abe's love, the sibling adoration of his foster sisters, Brinique and Davisa, and Abe's entire extended SEAL family to prove to Tommy that being nice, being respectful, and opening his heart to love are things he can choose. Even still, despite so much support, it's hard for Tommy to believe he deserves a loving family, and a second chance at happiness. Until one of the most unexpected friends arrives, just when Tommy needs him the most. He'll show the little boy just how special he is...even if he has to use a little magic to prove it. **Protecting Alabama's Kids is in the SEAL of Protection Series. She knew she wasn't brave, but time was running out and she was the only one who could save his life. Kason "Benny" Sawyer was the last single man on his Navy SEAL team. He loved his teammates like brothers and respected each and every one of their women. They'd all been through hell and they deserved their current happiness. But seeing the love between his friends and their women made it tough to be the odd man out all the time. Jessyka Allen had a good life, until it wasn't anymore. Finding herself in an impossible situation, with no noticeable way out, her job was an escape. Working at the small Bar and Grill put her in contact with some wonderful people, who Jess figured couldn't ever understand what she was going through. Being a SEAL, Benny thought he knew the true meaning of teamwork and friendship. But Jess would show him that everything he thought he knew about sacrifice, trust, and love, paled in comparison to what she brought into his world. **Protecting Jessyka is the 6th book in the SEAL of Protection Series.
