In this expanded and updated classic, Desmond Morton explores the history of the Canadian labour movement and brings the story to the present day with a discussion of globalization and its impact on workers. Working People examines the clash between the idealists, who fought for such "impossible" dreams as the eight-hour day, paid holidays, industrial democracy, and equality for woman, and the realists, who wrestled with the human realities of self-interest, prejudice, and fear. It focuses on workers - from 19th-century dock workers to teenage "crews" at McDonald's today - and documents their struggle for dignity and security in a
