Brighter Child(R) Spanish for Grade 3 helps students master beginning foreign language skills. Practice is included for learning action words, greetings, food words, and more. School success starts here! Workbooks in the popular Brighter Child(R) series are packed with plenty of fun activities that teach a variety of essential school skills. Students will find help for math, English and grammar, handwriting, and other important subject areas. Each book contains full-color practice pages, easy-to-follow instructions, and an answer key.

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

GRADES 1–3/ESL/SPANISH: With age-appropriate activities, this beginning Spanish workbook helps children build knowledge and skills for a solid foundation in Spanish. INCLUDES: This book features easy-to-follow instructions for lessons on the alphabet, parts of speech, days, months, expressions, and more! Also includes a Spanish-English glossary for total skill mastery. ENGAGING: This spanish workbook for kids combines colorful images with fun, focused activities to entertain and engage children while they grasp important concepts and skills for eventual language fluency. HOMESCHOOL FRIENDLY: This elementary Spanish workbook for kids is a great learning resource for at home or in the classroom and allows parents to supplement their children's learning in the areas they need it most. WHY CARSON DELLOSA: Founded by two teachers more than 40 years ago, Carson Delloosa believes that education is everywhere and is passionate about making products that inspire life's learning moments.

English File's unique, lively and enjoyable lessons are renowned for getting students talking. In fact, 90% of English File teachers we surveyed in our impact study found that the course improves students' speaking skills.

American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

Simply the best investment for anyone learning to write in French! This powerful program combines the features of a word processor with databases of language reference material, a searchable dictionary, a verb conjugating reference, and audio recordings of vocabulary, and example sentences. You will quickly learn to read, analyze, see word associations, and understand the link between language functions and linguistics structures in French.

This book is a collection of empirical studies that seeks to address how receiving instruction in Spanish language affects heritage Spanish speakers not only linguistically, but also attitudinally, socially, and academically. The research literature identifies three pedagogically significant ways in which heritage language (HL) learners differ from second (L2) learners: namely, with respect to their skills in the target language, their socio-affective needs vis-à-vis the target language and culture, and their receptivity to instruction. This volume contributes to the scholarly conversation surrounding how to most effectively meet the instructional needs of heritage Spanish speakers. In the United States, heritage language speakers represent approximately 22 percent of the population and 29 percent of the school-age population. Until now, though, few studies have examined the outcomes of classroom teaching of heritage languages. Outcomes of University Spanish Heritage Language Instruction in the United States sheds light on the effectiveness of specific instructional methods for college-level Spanish heritage learners. The first of its kind, this volume addresses how receiving heritage classroom instruction affects speakers on multiple levels, including linguistic, affective, attitudinal, social, and academic outcomes. Examining outcomes of instruction in the Spanish language-the most common heritage language in the United States-provides insights that can be applied to instruction in other heritage languages. These thematically linked empirical studies and their pedagogical implications build a foundation for heritage language instruction and directions for future research. Scholars and educators alike will welcome this volume.

Provides extra classroom practice, homework, or independent learning when in-class participation is not possible. Feature two pages of exercises for each lesson in the student book, grammar charts and an answer key, practice reading and interpreting real-life documents.

Complete PET for Spanish Speakers offers the most authentic preparation available for the Cambridge ESOL exam. Informed by Cambridge's unique searchable database of real exam scripts, the Cambridge Learner Corpus, and providing an official PET past exam paper from Cambridge ESOL, Complete PET is the most authentic exam preparation course available. The Teacher's Book contains full teacher's notes with extra teaching ideas, photocopiable material including class activities and progress tests, recording scripts and word lists. The English for Spanish Speakers edition provides specific help on how to exploit the speaking and pronunciation activities designed specially for Spanish-speaking students.
