Presents a Spanish language grammar and vocabulary practice workbook to accompany a text book for classes in high school Spanish.

Realidades 1 Digital Edition ©2014 provides standards-based instruction that seamlessly integrates vocabulary, grammar, communication, culture, and digital learning. This balanced approach is built upon the principles of backward design with assessment aligned with instruction. The program features many resources for differentiated instruction, including updated Pre-AP® components, that are available in print, on DVD-ROM, or online. The Digital Courseware, realidades.com, offers the newest and most powerful online learning system available in any middle school and high school Spanish program. Realidades 1 contains an introductory section called Para empezar and 9 Temas divided into A and B chapters. Realidades 1 is used effectively in middle and high schools.. Choose the Student Edition format the works for you! Print + Digital: Includes a print Student Edition with 6-year access to realidades.com eText + Digital: Includes the online Student Edition eText with 6-year or 1-year access to realidades.com Standalone Student Edition eText: Includes the online Student Edition eText with 6-year or 1-year license, but the license does not include access to realidades.com or teacher resources

Basics of the Biblical Greek is an entirely new, integrated approach to teaching and learning New Testament Greek. It makes learning Greek a natural process and shows from the very beginning how an understanding of Greek helps in understanding the New Testament. Basics of Biblical Greek: combines the best of the deductive and the inductive approaches, explains the basics of English grammar before teaching Greek grammar, uses from the very beginning parts of verses from the New Testament instead of 'made-up' exercises, includes at the beginning of every lesson a brief devotional, written by a well-known New Testament scholar, that demonstrates how the principles taught in the lesson apply directly to an understanding of the biblical text, is the most popular first-year Greek course used in colleges and seminaries today, comes with an interactive study aid CD-ROM, containing an eight-minute greeting from the author and the fun, helpful, and graphical vocabulary-memorizing program 'Learning the Basics of Biblical Greek' (runs on Power Mac and Windows 95), where you can hear Greek words pronounced and sung in more than 200 familiar hymns. The CD-ROM also contains the powerful Greek vocabulary-drilling programs Flashworks(TM) and Parseworks from Teknia Language Tools (runs on Macintosh and Windows 3.1 and 95). A separate workbook is also available. And complimentary teacher helps are located on the author's website (<http://www.homeschooling.org>).

REALIDADES is a standards-based Spanish curriculum that balances grammar and communication. The program offers technology designed to integrate language and culture to teach and motivate all students.

Students learn Spanish by actively engaging with the language via hands-on activities and projects, interactive CD-ROMs, and Internet tasks that help all students.

Follow the experiences of five young adults living in a youth hostel in Costa Rica. Students build listening skills and expand their vocabulary and grammar skills. Ideal for third year students 14 episodes average eight minutes in length Teacher materials provided online [View Video](#)

Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.

Combines the current Practice Workbook and the Guided Practice Workbook into one workbook. Now you have a single workbook for all your students! This workbook provides two levels of support for students. The Guided Practice activities provide step-by-step practice including vocabulary flashcards and folding study sheets, guided grammar practice, and scaffolded support for each chapter's Lectura, Presentación oral, or Presentación escrita. The Core Practice activities feature basic practice for each chapter's new vocabulary and grammar, plus end-of-chapter Crossword Puzzle and Organizer. Looking to move to online workbooks?

REALIDADES is a standards-based Spanish curriculum that balances grammar and communication. The program offers technology designed to integrate language and culture to teach and motivate all students.
