An Accessible, Up-to-Date Intermediate Greek Grammar This intermediate grammar for students of New Testament Greek incorporates the advances of recent linguistic research in an accessible and understandable way. Drawing on years of teaching experience at a leading seminary, the authors help students extend their grasp of Greek for reading and interpreting the New Testament and related writings. They make extensive use of New Testament texts to illustrate each grammatical category. Long enough to provide substantial help yet concise enough for frequent practical use, this book is ideal for intermediate Greek and Greek exegesis classes. It is also a valuable resource for preachers and others.

Larson IS student success. **ELEMENTARY AND INTERMEDIATE ALGEBRA: ALGEBRA WITHIN REACH** owes its success to the hallmark features for which the Larson team is known: learning by example, a straightforward and accessible writing style, emphasis on visualization through the use of graphs to reinforce algebraic and numeric solutions and to interpret data, and comprehensive exercise sets. These pedagogical features are carefully coordinated to ensure that students are better able to make connections between mathematical concepts and understand the content. With a bright, appealing design, the new Sixth Edition builds on the Larson tradition of guided learning by incorporating a comprehensive range of student success materials to help develop students' proficiency and conceptual understanding of algebra. The text also continues coverage and integration of geometry in examples and exercises.
