Brilliant, audaciously rogue police officer, Harry Hole from The Snowman and The Thirst, is back and in the throes of a new, unanticipated rage--once again hunting the murderer who has haunted his entire career. Harry Hole is not in a good place. Rakel--the only woman he's ever loved--has ended it with him, permanently. He's been given a chance for a new start with the Oslo Police but it's in the cold case office, when what he really wants is to be investigating cases he suspects have ties to Svein Finne, the serial rapist and murderer who Harry helped put behind bars. And now, Finne is free after a decade-plus in prison--free, and Harry is certain, unreformed and ready to take up where he left off. But things will get worse. When Harry wakes up the morning after a blackout, drunken night with blood that's clearly not his own on his hands, it's only the very beginning of what will be a waking nightmare the likes of which even he could never have imagined.

In the heat of a sweltering Oslo summer, a young woman is found murdered in her flat--with one of her fingers cut off and a tiny red star-shaped diamond placed under her eyelid. An off-the-rails alcoholic barely holding on to his job, Detective Harry Hole is assigned the case with Tom Waaler, a hated colleague whom Harry believes is responsible for the murder of his partner. When another woman is reported missing five days later, and her severed finger turns up adorned with a red star-shaped diamond ring, Harry fears a serial killer is at work. But Hole's determination to capture a fiend and to expose Waaler's crimes is leading him into shadowy places where both investigations merge in unexpected ways, forcing him to make difficult decisions about a future he may not live to see.

"An elegant and complex thriller...Harrowingly beautiful." --New York Times Book Review "A hugely impressive achievement--ambitious in scope, and skilled in execution." --Los Angeles Times "The Redbreast certainly ranks with the best of current American crime fiction." --Washington Post No disrespect meant to Henning Mankell and Stieg Larsson, but Jo Nesbø, the New York Times bestselling author of The Snowman, is the most exciting Scandinavian thriller writer in the crime fiction business. The Redbreast is a fabulous installment in Nesbø's tough-as-nails series protagonist, Oslo police detective Harry Hole. A brilliant and epic novel, breathtaking in its scope and design--winner of The Glass Key for best Nordic crime novel and selected as the best

Read Book Redt Novel Harry Hole Series

Norwegian crime novel ever written by members of Norway's book clubs—The Redbreast is a chilling tale of murder and betrayal that ranges from the battlefields of World War Two to the streets of modern-day Oslo. Follow Hole as he races to stop a killer and disarm a ticking time-bomb from his nation's shadowy past. Vogue magazine says that “nobody can delve into the dark, twisted mind of a murderer better than a Scandinavian thriller writer”...and nobody does it better than Jo Nesbø! James Patterson fans should also take note.

The electrifying first installment of the Harry Hole series. Inspector Harry Hole of the Oslo Crime Squad is dispatched to Sydney to observe a murder case. Harry is free to offer assistance, but he has firm instructions to stay out of trouble. The victim is a twenty-three year old Norwegian woman who is a minor celebrity back home. Never one to sit on the sidelines, Harry befriends one of the lead detectives, and one of the witnesses, as he is drawn deeper into the case. Together, they discover that this is only the latest in a string of unsolved murders, and the pattern points toward a psychopath working his way across the country. As they circle closer and closer to the killer, Harry begins to fear that no one is safe, least of all those investigating the case.

From the author of the best-selling Harry Hole series comes an electrifying tale of vengeance set amid Oslo's brutal hierarchy of corruption. Sonny Lofthus has been in prison for almost half his life: serving time for crimes he didn't commit. In exchange, he gets an uninterrupted supply of heroin—and a stream of fellow prisoners seeking out his Buddha-like absolution. Years earlier Sonny's father, a corrupt cop, took his own life rather than face exposure. Now Sonny is the center of a vortex of corruption: prison staff, police, lawyers, a desperate priest—all of them focused on keeping him stoned and jailed. When Sonny discovers a shocking truth about his father's suicide, he makes a brilliant escape and begins hunting down the people responsible for his and his father's demise. But he's also being hunted, and by enemies too many to count. Two questions remain: who will get to him first, and what will he do when he's cornered?

Inspector Harry Hole tracks a Norwegian serial killer in this installment of Jo Nesbø's New York Times bestselling series. One night, after the first snowfall of the year, a boy named Jonas wakes up and discovers that his mother has disappeared. Only one trace of her remains: a pink scarf, his Christmas gift to her, now worn by the snowman that inexplicably appeared in their yard earlier that day. Inspector Harry Hole suspects a link between the missing woman and a suspicious letter he's received. The case deepens when a pattern emerges: over the past decade, eleven women have vanished—all on the day of the first snow. But this is a killer who makes his own rules . . . and he'll break his pattern just to keep the game interesting, as he draws Harry ever closer into his twisted web. With brilliantly realized characters and hair-raising suspense, international

bestselling author Jo Nesbø presents his most chilling case yet—one that will test Harry Hole to the very limits of his sanity.

Grainy CCTV footage shows a man walking into a bank and putting a gun to a cashier's head. He tells her to count to twenty-five. When he doesn't get his money in time, she is executed. Detective Harry Hole is assigned to the case. While Harry's girlfriend is away in Russia, an old flame gets in touch. He goes to dinner at her house and wakes up at home with no memory of the past twelve hours. The same morning the girl is found shot dead in her bed. Harry begins to receive threatening e-mails. Is someone trying to frame him for this unexplained death? Meanwhile the bank robberies continue with unparalleled savagery. Gripping and surprising, *Nemesis* is the new thriller by one of the biggest stars of Scandinavian crime fiction.

Inspector Harry Hole returns from Hong Kong hot on the trail of a serial killer in this installment of Jo Nesbø's New York Times bestselling series. Inspector Harry Hole has retreated to Hong Kong, escaping the trauma of his last case in squalid opium dens, when two young women are found dead in Oslo, both drowned in their own blood. Media coverage quickly reaches a fever pitch. There are no clues, the police investigation is stalled, and Harry—the one man who might be able to help—can't be found. After he returns to Oslo, the killer strikes again, Harry's instincts take over, and nothing can keep him from the investigation, though there is little to go on. Worse, he will soon come to understand that he is dealing with a psychopath who will put him to the test, both professionally and personally, as never before.

A tense and atmospheric standalone thriller about two brothers, one small town, and a lifetime of dark secrets, from bestselling author Jo Nesbø "I read *The Kingdom* and couldn't put it down ... Suspenseful ... Original ... This one is special in every way." —Stephen King A KIRKUS REVIEWS BEST MYSTERY AND THRILLER OF THE YEAR Roy and Carl, brothers from a small mountain town, have spent their whole lives hiding from the darkness in their pasts—Roy by staying put and staying quiet, and Carl by running far away. Roy believed his little brother was gone for good. But Carl has big plans for his hometown. And when he returns with a mysterious new wife and a business opportunity that seems too good to be true, simmering tensions begin to surface and unexplained deaths in the town's past come under new scrutiny. Soon powerful players set their sights on taking the brothers down by exposing their role in the town's sordid history. But Roy and Carl are survivors, and no strangers to violence. As the town's long-buried past begins to surface, Roy will be forced to choose between his own flesh and blood and a future he had never dared to believe possible.

New York Times bestseller "An incomplete but highly compelling retelling . . . An action-packed, doom-haunted saga, full of vivid natural description."—New York Times Book Review *The Fall of Arthur*

Read Book Redt Novel Harry Hole Series

recounts in verse the last campaign of King Arthur, who, even as he stands at the threshold of Mirkwood, is summoned back to Britain by news of the treachery of Mordred. Already weakened in spirit by Guinevere's infidelity with the now-exiled Lancelot, Arthur must rouse his knights to battle one last time against Mordred's rebels and foreign mercenaries. Powerful, passionate, and filled with vivid imagery, this unfinished poem reveals Tolkien's gift for storytelling at its brilliant best. Christopher Tolkien, editor, contributes three illuminating essays that explore the literary world of King Arthur, reveal the deeper meaning of the verses and the painstaking work his father applied to bring the poem to a finished form, and investigate the intriguing links between The Fall of Arthur and Tolkien's Middle-earth. "Compelling in pace, haunted by loss, it lives up to expectations."—Daily Beast "Erudite and beautiful." - NPR.org
