With the rise of science, we moderns believe, the world changed irrevocably, separating us forever from our primitive, premodern ancestors.

Read Free Renault Clio 1997 Manual Online

But if we were to let go of this fond conviction, Bruno Latour asks, what would the world look like? His book, an anthropology of science, shows us how much of modernity is actually a matter of faith. What does it mean to be modern? What difference does the scientific method make? The
