Bestselling author of ⓘAsk a Mexican ⓘ Gustavo Arellano returns with Orange County, a seamlessly woven history of California's Orange County with Gustavo's personal narrative of growing up within its neighborhoods. The story began in 1918, when Gustavo Arellano's great-grandfather and grandfather arrived in the United States, only to be met with flying potatoes. They ran, and hid, and then went to work in Orange County's citrus groves, where, eventually, thousands of fellow Mexican villagers joined them. Gustavo was born sixty years later, the son of a tomato canner who dropped out of school in the ninth grade and an illegal immigrant who smuck into this country in the trunk of a Chevy. Meanwhile, Orange County changed radically, from a bucolic paradise of orange groves to the land where good Republicans go to die, American Christianity blossoms, and way too many bad television shows are green-lit. Part personal narrative, part cultural history, Orange County is the outrageous and true story of the man behind the wildly popular and controversial column ⓘAsk a Mexican ⓘ and the locale that spawned him. It is a tale of growing up in an immigrant enclave in a crime-ridden neighborhood, but also in a promised land, a place that has nourished America's soul and Gustavo's family, both in this country and back in Mexico, for a century. Nationally bestselling author, syndicated columnist, and the spiciest voice of the Mexican-American community, Gustavo Arellano delivers the hilarious and poignant follow-up to ⓘAsk a Mexican ⓘ, his critically acclaimed debut. Orange County not only weaves Gustavo's family story with the history of Orange County and the modern Mexican-immigrant experience but also offers sharp, caliente insights into a wide range of political, cultural, and social issues.

All through his growing-up years, John Danalis's family had an Aboriginal skull on the mantelpiece; yet only as an adult after enrolling in an Indigenous Writing course did he ask his family where it came from and whether it should be restored to its rightful owners. A deeply emotional graphic memoir of a young woman's struggles with self-esteem and body image issues. All Marie-Noëlle wants is to be thin and beautiful. She wishes that her thighs were slimmer, that her stomach lay flatter. Maybe then her parents wouldn't make fun of her eating habits at family dinners, the girls at school wouldn't call her ugly, and the boy she likes would ask her out. This all-too-relatable memoir follows Marie-Noëlle from childhood to her twenties, as she navigates what it means to be born into a body that doesn't fall within society's beauty standards. When, as a young teen, Marie-Noëlle begins a fitness regime in an effort to change her body, her obsession with her weight and size only grows and she begins having suicidal thoughts. Fortunately for Marie-Noëlle, a friend points her in the direction of therapy, and slowly, she begins to realize that she doesn't need the approval of others to feel whole. Marie-Noëlle Hébert's debut graphic memoir is visually stunning and drawn entirely in graphite pencil, depicting a deeply personal and emotional journey that encourages us to all be ourselves without apology. "I am Crow Dog. I am the fourth of that name. Crow Dogs have played a big part in the history of our tribe and in the history of all the Indian nations of the Great Plains during the last two hundred years. We are still making history." Thus opens the extraordinary and epic account of a Native American clan. Here the authors, Leonard Crow Dog and Richard Erdoes (co-author of Lakota Woman) tell a story that spans four generations and sweeps across two centuries of reckless deeds and heroic lives, and of degradation and survival. The first Crow Dog, Jerome, a contemporary of Sitting Bull and Crazy Horse, was a witness to the coming of white soldiers and settlers to the open Great Plains. His son, John Crow Dog, traveled with Buffalo Bill Cody's Wild West Show. The third Crow Dog, Henry, helped introduce the peyote cult to the Sioux. And in the sixties and seventies, Crow Dog's principal narrator, Leonard Crow Dog, took up the family's political challenge through his involvement with the American Indian Movement (AIM). As a wichasha wakan, or medicine man, Leonard became AIM's spiritual leader and renewed the banned ghost dance. Staunchly traditional, Leonard offers a rare glimpse of Lakota spiritual practices, describing the sun dance and many other rituals that are still central to Sioux life and culture.
