Rogan is an unusual given name for males but a very prominent last name for both adults and children (#6778 out of 150436, Top 5%). (2000 U.S. CENSUS) Rogan was first listed in 2006 and reached its top position of #1448 in the U.S. in the year 2018. (TOP BABY NAMES, 2018)

"The definitive cookbook on using local ingredients to create unforgettable dishes. Throughout the culinary world, Simon is revered. He is the chef and owner of L'Enclume, the 2 Michelin star restaurant in Cumbria that famously starred in Steve Coogan and Rob Brydon's film, The Trip and has won Best Restaurant OFM Awards and The Good Food Guide's Best Restaurant for the past 4 years. He was a winner on BBC2's Great British Menu and a mentor on MasterChef. There is also Rogan & Company, Aulis - a research kitchen - and 2 more restaurants coming up in London. Renowned for the clarity of ethos he brings, as well as a brilliant reputation for artistry, innovation and excellence, his talent and vision shine through. Simon is uniquely placed to write a definitive cookbook that changes the tenor of cookery publishing. Here is a book that perfectly communicates his philosophy of taking farmed and foraged seasonal ingredients to create unforgettable dishes. Simon has led the way in showing that innovative cookery is at its best when using local ingredients with imagination and passion. His food is beautifully refined and has transformed how we view locally-sourced cuisine - the Farm to Plate ethos. The book showcases recipes that use beautiful ingredients, but ones that are accessible everywhere, and vibrant recipe pictures alongside photography capturing the life and landscapes of his farm in Cumbria, where his two Michelin star restaurant L'Enclume is based."--Provided by publisher.

Named Best Book of the Year by the Financial Times, the Economist and the Atlantic In this definitive history of the modern Arab world, award-winning historian Eugene Rogan draws extensively on five centuries of Arab sources to place the Arab experience in its crucial historical context. In this updated and expanded edition, Rogan untangles the latest geopolitical developments of the region to offer a groundbreaking and comprehensive account of the Middle East. The Arabs is essential reading for anyone seeking to understand the modern Arab world. "Deeply erudite and distinctly humane."-Atlantic "An outstanding, gripping and exuberant narrative . . . that explains much of what we need to know about the world today."-Simon Sebag Montefiore, Financial Times

"Both a biography of Wilber "Bullet" Rogan and a history of his great Kansas City Monarchs teams, 1920-1938, this work pays tribute to a man considered baseball's greatest all-around player. During his career, the Monarchs won two negro league World Series and five pennants, in addition to launching careers of several players and conducting barnstorming tours"--Provided by publisher.

A provocative novel about the fallout from a search for truth by the author of the national bestseller The Lifeboat. For Maggie Rayburn -- wife, mother, and secretary at a munitions plant -- life is pleasant, predictable, and, she assumes, secure. When she finds proof of a high-level cover-up on her boss's desk, she impulsively takes it, an act that turns her world, and her worldview, upside down. Propelled by a desire to do good -- and also by a newfound taste for excitement -- Maggie starts to see injustice everywhere. Soon her bottom drawer is filled with what she calls "evidence," her small town has turned

against her, and she must decide how far she will go for the truth. For Penn Sinclair -- Army Captain, Ivy League graduate, and reluctant heir to his family's fortune -- a hasty decision has disastrous results. Home from Iraq and eager to atone, he reunites with three survivors to expose the truth about the war. They launch a website that soon has people talking, but the more they expose, the cloudier their mission becomes. Now and Again is a blazingly original novel about the interconnectedness of lives, the limits of knowledge, and the consequences of doing the right thing.

Morrissey & Marr: The Severed Alliance is among the most successful – and controversial – rock biographies ever published. Having denounced the book and called for the death of its author Johnny Rogan, Morrissey later did a U-turn and cited it as evidence in the royalty-related court case brought by Smiths drummer Mike Joyce. Now, 20 years after it was first published, Rogan has returned to his definitive Smiths biography to produce a completely revised edition based on new information and new interviews to add to the almost 100 initially conducted over a four-year period. Widely acclaimed as one rock 's leading writers, Johnny Rogan now brings yet more insight and analysis to his best-selling book that revealed, for the first time, the true and unsanitised story of The Smiths – the most important group of their generation.

Someone has kidnapped the Honorary Consul of Ireland in El Salvador and is demanding a big ransom. Ed Rogan, a tough-as-nails private dick, is hired to find the victim before the man's heart medication runs out. In his quest, Rogan enters a deadly jungle of intrigue, deceit and treachery. The rebels are after him, the military is after him and a beautiful woman is trying to kill him. The action in this fast-paced thriller moves between New York penthouses and El Salvador mansions in a dangerous and gripping search for a missing man whose days are numbered unless Rogan can find him in time.

Café Nevo is a Tel Aviv gathering place for artists, politicians, lovers, and Bohemians—Arabs and Jews, young and old, conservative and radical. Nevo is presided over by Emmanuel Sternholz, the waiter whose unblinking gaze takes in the tangled web of destinies and desires spun out around him. In this comic, tragic, and compelling mosaic of intertwined lives, Barbara Rogan has created a dazzling work of fiction—and a marvelously illuminating mirror of Israel in its pioneering heyday.

In 1914 the Ottoman Empire was depleted of men and resources after years of war against Balkan nationalist and Italian forces. But in the aftermath of the assassination in Sarajevo, the powers of Europe were sliding inexorably toward war, and not even the Middle East could escape the vast and enduring consequences of one of the most destructive conflicts in human history. The Great War spelled the end of the Ottomans, unleashing powerful forces that would forever change the face of the Middle East. In *The Fall of the Ottomans*, award-winning historian Eugene Rogan brings the First World War and its immediate aftermath in the Middle East to vivid life, uncovering the often ignored story of the region 's crucial role in the conflict. Bolstered by German money, arms, and military advisors, the Ottomans took on the Russian, British, and French forces, and tried to provoke Jihad against the Allies in their Muslim colonies. Unlike the static killing fields of the Western Front, the war in the Middle East was fast-moving and unpredictable, with the Turks inflicting decisive defeats on the Entente in Gallipoli, Mesopotamia, and Gaza before the tide of battle turned in the Allies ' favor. The great cities of Baghdad, Jerusalem, and, finally, Damascus fell to invading armies before the Ottomans agreed to an armistice in 1918. The postwar settlement led to the partition of Ottoman lands between the victorious powers, and laid the groundwork for the ongoing conflicts that continue to plague the modern Arab world. A sweeping narrative of battles and political intrigue from Gallipoli to Arabia, *The Fall of the Ottomans* is essential reading for anyone seeking to understand the Great War and the making of the modern Middle East.

#2 NEW YORK TIMES BESTSELLER* • “ Rogen ' s candid collection of sidesplitting essays . . . thrives at both explaining and encapsulating a generational comedic voice. ” —The Washington Post A collection of funny personal essays from one of the writers of *Superbad* and *Pineapple Express* and one of the producers of *The Disaster Artist*, *Neighbors*, and *The Boys*. (All of these words have been added to help this book show up in people ' s searches using the wonders of algorithmic technology. Thanks for bearing with us!) Hi! I ' m Seth! I was asked to describe my book, *Yearbook*, for the inside flap (which is a gross phrase) and for websites and shit like that, so... here it goes!!! *Yearbook* is a collection of true stories that I desperately hope are just funny at worst, and life-changingly amazing at best. (I understand that it ' s likely the former, which is a fancy “ book ” way of saying “ the first one. ”) I talk about my grandparents, doing stand-up comedy as a teenager, bar mitzvahs, and Jewish summer camp, and tell way more stories about doing drugs than my mother would like. I also talk about some of my adventures in Los Angeles, and surely say things about other famous people that will create a wildly awkward conversation for me at a party one day. I hope you enjoy the book should you buy it, and if you don ' t enjoy it, I ' m sorry. If you ever see me on the street and explain the situation, I ' ll do my best to make it up to you. *I was beaten by Bill O ' Reilly, which really sucks.

"If you ever start taking things too seriously, just remember that we are talking monkeys on an organic spaceship flying through the universe." Joe Rogan. Stand-up comedian, actor, podcast host, businessman, MMA commentator, and martial arts enthusiast, Joe Rogan, continues to push the envelope of social commentary around the world. His no-nonsense approach to life and human consciousness engages such diverse audiences that his appeal has spread quickly and dramatically - making him one of the most talked-about personalities in recent years. This book gives a snapshot of key moments in Rogan's life and career that have shaped the person we see on our televisions, phones, tablets, computers, and at live comedy shows around the world.
