Guidelines for designing,
and building energy-
efficient houses

This unique book written by
four world leaders in
reputation research,
presents the latest cutting-
edge thinking on
organizational improvement.
It covers media management,
crisis management, the use
of logos and other aspects
of corporate identity, and
argues the case for
reputation management as a
way of overseeing long-term
organizational strategy. It
presents a new approach to
managing reputation, one
that relies on surveying

customers and employees on their view of the corporate character and in harmonizing the values of both. This approach has been trialled in a number of organizations and here the authors demonstrate how improving reputation, merely by learning more about what a company is already doing, is worth some five per cent sales growth. The book is a vital, up to date resource for specialists in corporate communication, public relations, marketing, HRM, and business strategy as well as for all senior management. Highly illustrated with over eighty diagrams and tables, it
