From the author of *The Dirty Girls Social Club* comes another fast, funny, soulful, and sexy novel about friendship and love amid Latinas. It's a jungle out there -- in Los Angeles, that is, where the tangle of freeways and ingrained insincerity can make a girl feel very alone, no matter how fabulous the weather or how cute the clothes at the South Coast Plaza mall. With very different styles and attitudes, Marcella, Olivia, and Alexis are trying to crack the code in L.A, trying to snare love and success. But first they have to come together—to make their marks and plan the fun they're going to have along the way. Marcella is a hot, sharp young television actress who's barely able to enjoy the life she's bought for herself and certainly isn't enjoying her body, which is never quite perfect enough. Olivia, whose life revolves around her toddler son, Jack, is tethered to her suburban mommy track so tightly she can almost forget the horrible thing that happened to her family when she was a child herself. Alexis is a musicians' manager with a smart mouth, an ample body, and loads of style but barely enough self-esteem to fill a Prada card case. And the boys in their lives? Marcella's had about enough of them throwing themselves at her; Olivia's boy is her son; and Alexis is still searching, not for a boy this time, but for a man. *Playing with Boys* is a savvy novel with charm, style, and heart to spare.

Alisa Valdés-Rodríguez's vibrant, can't-put-it-down novel of six friends--each one an unforgettable Latina woman in her late '20s--and the complications and triumphs in their lives Inseparable since their days at Boston University almost ten years before, six friends form the Dirty Girls Social Club, a mutual support and (mostly) admiration society that no matter what happens to each of them (and a lot does), meets regularly to dish, dine and compare notes on the bumpy course of life and love. Las sucias are: --Lauren, the resident "caliente" columnist for the local paper, which advertises her work with the line "her casa is su casa, Boston," but whose own home life has recently involved hiding in her boyfriend's closet to catch him in the act --Sara, the perfect wife and mother who always knew exactly the life she wanted and got it, right down to the McMansion in the suburbs and two boisterious boys, but who is paying a hefty price --Amber, the most idealistic and artistic member of the club, who was raised a valley girl without a word of Spanish and whose increasing attachment to her Mexica roots coincides with a major record label's interest in her rock 'n' roll --Elizabeth, the stunning black Latina whose high profile job as a morning television anchor conflicts with her intensely private personal life, which would explain why she dates the other dirty girls set her up on never work out --Rebecca, intense and highly controlled, who flawlessly runs Ella, the magazine she created for Latinas, but who can't explain why she didn't understand the man she married and now doesn't even share a room with; and --Usnavys, irrepressible and larger than life, whose agenda to land the kind of man who can keep her in Manolo Blahniks and platanos almost prevents her seeing true love when it lands in her lap. There's a lot of catching up to do.
