Ryan White describes how he contracted AIDS, the negative response of his friends and neighbors in his home town, his battle to reenter school, and his fight to educate people about the disease.

Ryan White describes how he got AIDS, engaged in a legal battle to return to school, and became a celebrity and spokesman for issues concerning the deadly disease.

Ryan White describes how he contracted AIDS, the negative response of his friends and neighbors in his home town, his battle to reenter school, and his fight to educate people about the disease.

In 1985 the eyes of the world turned to the Hoosier State and the attempt by a thirteen-year-old Kokomo, Indiana, teenager to do what seemed to be a simple task—join his fellow classmates at Western Middle School in Russiaville, the school to which his Kokomo neighborhood was assigned. The teenager, Ryan White, however, had been diagnosed with Acquired Immune Deficiency Syndrome from contaminated blood-based products used to treat his hemophilia. “ It was my decision, ” White said, “ to live a normal life, go to school, be with friends, and enjoying day to day activities. It was not going to be easy. ” White's words were an understatement, to say the least. His wish to return to school was met with panic by parents and some school officials. The controversy about White and the quiet courage he and his mother, Jeanne, displayed in their battle

to have him join his classmates is explored in the eleventh volume in the Indiana Historical Society Press ' s Youth Biography Series. *The Quiet Hero* is written by Nelson Price, who wrote about White ' s odyssey during his days as a reporter and columnist for the Indianapolis News. Price goes behind the scenes and brings to light stories and individuals who might have been lost in the media spotlight. After a nine-month court battle, White won the right to return to school, but with concessions. These were not enough for parents of twenty children, who responded by starting their own school. At school, White became the target of slurs and lies, and his locker was vandalized. Although the White family received support from citizens and celebrities around the world, particularly rock singer Elton John, the situation grew so controversial in Kokomo that they moved to Cicero, Indiana—a community that greeted them much differently. In Price ' s book, White, who succumbed to his disease in 1990, comes across as a normal teenager who met an impossible situation with uncommon grace, courage, and wisdom. “ It was difficult at times, to handle; but I tried to ignore the injustice, because I knew the people were wrong, ” White said. “ My family and I held no hatred for those people because we realized they were victims of their own ignorance. ”

A candid, compelling, and rollicking portrait of the pirate captain of Margaritaville—Jimmy Buffett. In *Jimmy Buffett: A Good Life All the Way*, acclaimed music critic Ryan White has crafted the first definitive account of Buffett ' s rise from singing songs for beer to his emergence as a tropical icon and CEO behind the Margaritaville industrial complex, a vast network of merchandise, chain restaurants, resorts, and lifestyle products all inspired by his sunny but disillusioned hit “ Margaritaville. ” Filled with interviews from friends,

musicians, Coral Reefer Band members past and present, and business partners who were there, this book is a top-down joyride with plenty of side trips and meanderings from Mobile and Pascagoula to New Orleans, Key West, down into the islands aboard the Euphoria and the Euphoria II, and into the studios and onto the stages where the foundation of Buffett ' s reputation was laid. Buffett wasn ' t always the pied piper of beaches, bars, and laid-back living. Born on the Gulf Coast, the son of a son of a sailing ship captain, Buffett scuffed around New Orleans in the late sixties, flunked out of Nashville (and a marriage) in 1971, and found refuge among the artists, dopers, shrimpers, and genuine characters who ' d collected at the end of the road in Key West. And it was there, in those waning outlaw days at the last American exit, where Buffett, like Hemingway before him, found his voice and eventually brought to life the song that would launch Parrot Head nation. And just where is Margaritaville? It ' s wherever it ' s five o ' clock; it ' s wherever there ' s a breeze and salt in the air; and it ' s wherever Buffett sets his bare feet, smiles, and sings his songs.

The mother of Ryan White, a young hemophiliac who contracted the AIDS virus, describes her struggles with ignorance and her son's determination

“ An extraordinary novel ” about growing up gay in the 1950s American Midwest (The New York Times Book Review). Critically lauded upon its initial publication in 1982 for its pioneering depiction of homosexuality, A Boy ' s Own Story is a moving tale about coming-of-age in midcentury America. With searing clarity and unabashed wit, Edmund White ' s unnamed protagonist yearns for what he knows to be shameful. He navigates an uneasy relationship with his

father, confounds first loves, and faces disdain from his peers at school. In the embrace of another, he discovers the sincere and clumsy pleasures of adolescent sexuality. But for boys in the 1950s, these desires were unthinkable. Looking back on his experiences, the narrator notes, “ I see now that what I wanted was to be loved by men and to love them back but not to be a homosexual. ” From a winner of the PEN/Saul Bellow Award for Lifetime Achievement in Literature, this trailblazing autobiographical story of one boy ’ s youth is a moving, tender, and heartbreaking portrait of what it means to grow up.

An Instant New York Times Bestseller! Get Out meets Holly Jackson in this YA social thriller where survival is not a guarantee. Sixteen-year-old Jake Livingston sees dead people everywhere. But he can't decide what's worse: being a medium forced to watch the dead play out their last moments on a loop or being at the mercy of racist teachers as one of the few Black students at St. Clair Prep. Both are a living nightmare he wishes he could wake up from. But things at St. Clair start looking up with the arrival of another Black student—the handsome Allister—and for the first time, romance is on the horizon for Jake. Unfortunately, life as a medium is getting worse. Though most ghosts are harmless and Jake is always happy to help them move on to the next place, Sawyer Doon wants much more from Jake. In life, Sawyer was a troubled teen who shot and killed six kids at a local high school before taking his own life. Now he's a powerful, vengeful ghost and he has plans for Jake. Suddenly, everything Jake knows about dead world goes out the window as Sawyer begins to haunt him. High school soon becomes a different kind of survival game—one Jake is not sure he can win.

Abigail Walker and Jarvis Daniels are longtime sweethearts headed in opposite directions. Abby, an aspiring cellist, wants out of her humble Detroit surroundings and is willing to shed blood, sweat, and tears to make it happen. Jarvis, on the other hand, is perfectly content with life. For him there's plenty of time to become a "responsible adult." For now, he's got everything he could want: a roof over his head, a PlayStation, and the love of a good woman. When Abby's music career takes off and she moves to Chicago, Jarvis gets the boot---sort of. Abby still loves him, but his penchant for faded sweaters and meatball subs just doesn't fit into her new, sophisticated world of designer gowns and concert halls. They're in different leagues and Abby makes no qualms of reminding him of it whenever she deigns to visit him. When the couple is involved in a near-fatal car crash, they are broken, stripped, and broken again both stumbling through a journey of healing and self-discovery as they struggle to accept the merciful hand of the only One who can help them up after a fall.

This book is uniquely original and can be personalized with any girl's name. How fun is that? Over 500 book names already published on Amazon!
