ONE OF PEOPLE MAGAZINE ' S BEST NEW BOOKS " A searing and intimate memoir about love turned deadly. " —The BBC " An intimate illumination of sisterhood and loss. " —People
When Sheila Kohler was thirty-seven, she received the heart-stopping news that her sister Maxine, only two years older, was killed when her husband drove them off a deserted road in Johannesburg. Stunned by the news, she immediately flew back to the country where she was born, determined to find answers and forced to reckon with his history of violence and the lingering effects of their most unusual childhood—**one** marked by death and the misguided love of their mother. In her signature spare and incisive prose, Sheila Kohler recounts the lives she and her sister led. Flashing back to their storybook childhood at the family estate, Crossways, Kohler tells of the death of her father when she and Maxine were girls, which led to the family abandoning their house and the girls being raised by their mother, at turns distant and suffocating. We follow them to the cloistered Anglican boarding school where they first learn of separation and later their studies in Rome and Paris where they plan grand lives for themselves—**lives** that are interrupted when both marry young and discover they have made poor choices. Kohler evokes the bond between sisters and shows how that bond changes but never breaks, even after death. " A beautiful and disturbing memoir of a beloved sister who died at the age of thirty-nine in circumstances that strongly suggest murder. . . . Highly recommended. " —Joyce Carol Oates

The lies between a husband and wife are revealed, unraveling their family in this thrilling novel that moves between the French Riviera, Switzerland, and Amagansett
When Michel, a Swiss banker, discovers his wife Alice's betrayal he turns for help to a Russian client who leads him into unknown territory, endangering not only his own life but that of Alice, and above all, his fourteen-year-old daughter, Pamela. Their charmed life—a beautiful house on the French Riviera, elegant vacations, and boarding school in Switzerland for Pamela—is not all that it seems. As the repercussions of Michel's illicit deals move closer in around them, Alice finds herself in Amagansett with her artist sister who is having a crisis of her own, while the danger circles around Pamela.
Open Secrets is a suspenseful novel about relationships, family, love and the inescapable consequences of one's own actions.

Forty years after a beautiful schoolgirl disappears into the South African veld, the survivors of her former swimming team gather at a reunion and piece together the weeks prior to her disappearance, a period marked by a dark secret. By the author of *The Perfect Place*. Reprint.

A tale based on the experiences of Jewish children who were interred in the Loiret region concentration camp in the summer of 1942 finds a pair of young sisters escaping to the shelter of an aristocratic couple's home seventeen years before a teenage student visits the home and learns the sisters' story. Reprint.

A beautifully imagined tale of the Brontë sisters and the writing of *Jane Eyre*. Sheila Kohler's memoir *Once We Were Sisters* is now available. The year is 1846. In a cold parsonage on the gloomy Yorkshire moors, a family seems cursed with disaster. A mother and two children dead. A father sick, without fortune, and hardened by the loss of his two most beloved family members. A son destroyed by alcohol and opiates. And three strong, intelligent young women, reduced to poverty and spinsterhood, with nothing to save them from their fate. Nothing, that is, except their remarkable literary talent. So unfolds the story of the Brontë sisters. At its center are Charlotte and the writing of *Jane Eyre*. Delicately unraveling the connections between one of fiction's most indelible heroines and the remarkable woman who created her, Sheila Kohler's *Becoming Jane Eyre* will appeal to fans of historical fiction and, of course, the millions of readers who adore *Jane Eyre*, as well as biographies about the Brontës like Claire Harman ' s *Charlotte Brontë: A Fiery Heart*.

An award-winning author reimagines one of Freud ' s most famous and controversial cases. Sheila Kohler's memoir *Once We Were Sisters* is now available. Acclaimed for her spare prose and exceptional psychological insights in her novels *Becoming Jane Eyre* and *Love Child*, Sheila Kohler ' s latest is inspired by Sigmund Freud ' s *Dora: An Analysis of a Case of Hysteria*. *Dreaming for Freud* paints a provocative and sensual portrait of one of history ' s most famous patients. In the fall of 1900, *Dora ' s* father forces her to begin treatment with the doctor. Visiting him daily, the seventeen-year-old girl lies on his ottoman and tells him frankly about her strange life, and above all about her father's desires as far as she is concerned. But *Dora* abruptly ends her treatment after only eleven weeks, just as Freud was convinced he was on the cusp of a major discovery. In *Dreaming for Freud*, Kohler explores what might have happened between the man who changed the face of psychotherapy and the beautiful young woman who gave him her dreams.

An enthralling new novel from the highly acclaimed author of *Becoming Jane Eyre*. Sheila Kohler's memoir *Once We Were Sisters* is now available. The compelling story of a forbidden marriage, a baby lost, and a love triangle gone horribly wrong, *Love Child* centers on Bill, a South African woman whose life has been defined by the apartheid-era, class-riven society in which she lives. Under pressure to make her will, Bill is forced to think about the momentous events and decisions that have made her an extremely wealthy if somewhat disillusioned woman. To whom should she leave her fortune? As Bill relives her past, we learn that this is a simple question with a complicated answer. In elegant, sensual, and nuanced prose, Kohler skillfully explores the space between our dreams and our reality, between our hopes and our disappointments.

A collection of poems about love and romance by famous poets from the eighteenth to the twentieth centuries

" A beautiful and disturbing memoir of a beloved sister who died at the age of thirty-nine in circumstances that strongly suggest murder. . . . Highly recommended. " —Joyce Carol Oates

A chilling noir collection featuring fifteen crime and mystery tales and six poems from female authors. Joyce Carol Oates, a queen-pin of the noir genre, has brought her keen and discerning eye to the curation of an outstanding anthology of brand-new top-shelf short stories (and poems by Margaret Atwood). While bad men are not always the victims in these tales, they get their due often enough to satisfy readers who are sick and tired of the gendered status quo, or who just want to have a little bit of fun at the expense of a crumbling patriarchal society. This stylistically diverse collection will make you squirm in your seat, stay up at night, laugh out loud, and inevitably wish for more. With stories by Joyce Carol Oates, Margaret Atwood (poems), Valerie Martin, Aimee Bender, Edwidge Danticat, Sheila Kohler, S.A. Solomon, S.J. Rozan, Lucy Taylor, Cassandra Khaw, Bernice L. McFadden, Jennifer Morales, Elizabeth McCracken, Livvia Llewellyn, Lisa Lim, and Steph Cha, *Praise for Cutting Edge* " The indefatigable Joyce Carol Oates gathers a strong list of names . . . Emerging and established authors provide attention-grabbing short works, especially notable are Edwidge Danticat's story on the quotidian horror of domestic violence, Bernice L. McFadden ' s comic take on the appropriation of racial friendship, and Lisa Lim ' s illustrations of a grotesque marriage. " —*Alfred Hitchcock Mystery Magazine* " But of course, in the end, it isn't the themes or the innovations on the format of the short story anthology that make the tales collected in *Cutting Edge* most " feel " as if you were reading Joyce Carol Oates herself. It is the writing. The tight plots and fresh, flowing prose that go about their business until—snap!—the story ' s well-oiled mousetrap does its job. " —*New York Journal of Books* " The 15 stories and six poems in this slim yet weighty all-original noir anthology . . . are razor-sharp and relentless in their portrayal of life, offering snapshots of dysfunction, everyday toil, and brief joy. It is unusual, however, in its scope, zeroing in not only on what the female characters endure but what they dish out. . . . Each story sears but does not cauterize, leaving protagonists and readers raw . . . Fans of contemporary crime fiction won ' t want to miss this one. " —Publishers Weekly
