modern classic of motivation, teamwork, and Zen insight is updated for a whole new readership "Not only is there more to life than basketball, there's a lot more to basketball than basketball." --Phil Jackson

Eleven years ago, when Phil Jackson first wrote these words in *Sacred Hoops*, he was the triumphant head coach of the Chicago Bulls, known for his Zen approach to the game. He hadn't yet moved to the Los Angeles Lakers, with whom he would bring his total to an astounding nine NBA titles. In his thought-provoking memoir, he revealed how he directs his players to act with a clear mind -- not thinking, just doing; to respect the enemy and be aggressive without anger or violence; to live in the moment and stay calmly focused in the midst of chaos; to put the "me" in service of the "we" -- all lessons applicable to any person's life, not just a professional basketball player's. This inspiring book went on to sell more than

More than a Game covers the years that follow the one featured in the ESPN documentary series "The Last Dance." After leaving the Bulls at the end of the 1997-1998 season—the year featured in the new ESPN documentary series "The Last Dance"—Phil Jackson had one year off and started to write this book—together with his old friend, fellow player and coach, the basketball novelist Charley Rosen. Then Phil took the LA Lakers coaching job, Rosen followed him there, and by the time they finished writing this book it was 2000 and Phil had won yet another NBA championship, the first of five he would win with his new team. In *More than a Game*, Jackson and Rosen look backward to their origins as players and coaches, forward to the future of the game of basketball, and linger in the moving target of the present—lavishing page after page on the Triangle Offense and all the ways it reveals the essence of the game of basketball

Download File PDF Sacred Hoops

they both love so much. This is Jackson in his prime, transitioning from the Bulls to the Lakers, a master of the art of winning, who would go on to claim more NBA championships, eleven, than any other coach in NBA history. As he writes in *More than a Game* of his newest championship team: "We won because our fundamentals were sound, because Shaq was so dominant and Kobe was so creative, but we also won because we developed a certain confidence in our ability to win."

Phil Jackson, coach of the Chicago Bulls, describes his outlook on life, and explains how he applies it to basketball

This pioneering work, first published in 1986, documents the continuing vitality of American Indian traditions and the crucial role of women in those traditions.

"Through candor and comprehensiveness, Jackson writes a convincing revisionist take, in which he emerges as an excellent coach . . . highly readable . . . reflects Jackson ' s polymathy." —The New York Times Book Review "Part sports memoir, part New Age spirit quest, part pseudo-management tract . . . But the primary thing with Jackson—as with all the old bards, who were also known for repeating themselves—is the voice."

—Sam Anderson, The New York Times Magazine A New York Times Bestseller The inside story of one of basketball's most legendary and game-changing figures During his storied career as head coach of the Chicago Bulls and Los Angeles Lakers, Phil Jackson won more championships than any coach in the history of professional sports. Even more important, he succeeded in never wavering from coaching his way, from a place of deep values. Jackson was tagged as the “ Zen master ” half in jest by

Download File PDF Sacred Hoops

sportswriters, but the nickname speaks to an important truth: this is a coach who inspired, not goaded; who led by awakening and challenging the better angels of his players' nature, not their egos, fear, or greed. This is the story of a preacher's kid from North Dakota who grew up to be one of the most innovative leaders of our time. In his quest to reinvent himself, Jackson explored everything from humanistic psychology and Native American philosophy to Zen meditation. In the process, he developed a new approach to leadership based on freedom, authenticity, and selfless teamwork that turned the hypercompetitive world of professional sports on its head. In *Eleven Rings*, Jackson candidly describes how he:

- Learned the secrets of mindfulness and team chemistry while playing for the champion New York Knicks in the 1970s
- Managed Michael Jordan, the greatest player in the world, and

Download File PDF Sacred Hoops

got him to embrace selflessness, even if it meant losing a scoring title • Forged successful teams out of players of varying abilities by getting them to trust one another and perform in sync • Inspired Dennis Rodman and other “uncoachable” personalities to devote themselves to something larger than themselves • Transformed Kobe Bryant from a rebellious teenager into a mature leader of a championship team. Eleven times, Jackson led his teams to the ultimate goal: the NBA championship—six times with the Chicago Bulls and five times with the Los Angeles Lakers. We all know the legendary stars on those teams, or think we do. What *Eleven Rings* shows us, however, is that when it comes to the most important lessons, we don't know very much at all. This book is full of revelations: about fascinating personalities and their drive to win; about the wellsprings of motivation and

Download File PDF Sacred Hoops

competition at the highest levels; and about what it takes to bring out the best in ourselves and others.

Chicago Bulls coach Phil Jackson shares his experience of combining sports and spirituality to lead his team to success, explaining how to nurture a positive group dynamic and detailing the methods he uses to teach his players how to think collectively, overcome anger, and look beyond jealousy. Reprint.

A vibrant, unconventional, highly opinionated guide to the triumphs, joys, struggles, and heartbreaks of the modern era of the game, for every obsessive basketball fan who loves to hate hot takes *The Joy of Basketball* celebrates the meteoric rise of basketball over the last quarter century by ignoring the bland, traditionalist binary of wins or losses. Instead, the book's focus is

Download File PDF Sacred Hoops

on everything else. Using text, charts, and illustrations that upend conventional jock wisdom, the book details the most incredible players in history, draft flops, long-limbed oddballs, superteams, the international talent wave, brawls, scandals, the rapid evolution of contemporary gameplay, coaching, fashion, crime, positional erosion, tragic tales, memes, and the sacred Kardashian Blessing. Bouncing between witty graphics and keen sociopolitical observations, *The Joy of Basketball* is a subversive sports manifesto camouflaged as a colorful reference book for your coffee table.
