A gut-wrenching, startling historical thriller about communist Romania and the citizen spy network that devastated a nation, from the #1 New York Times bestselling, award-winning author of Salt to the Sea and Between Shades of Gray. Romania, 1989. Communist regimes are crumbling across Europe. Seventeen-year-old Cristian Florescu dreams of becoming a writer, but Romanians aren't free to dream; they are bound by rules and force. Amidst the tyrannical dictatorship of Nicolae Ceaușescu in a

country governed by isolation and fear, Cristian is blackmailed by the secret police to become an informer. He's left with only two choices: betray everyone and everything he loves—or use his position to creatively undermine the most notoriously evil dictator in Eastern Europe. Cristian risks everything to unmask the truth behind the regime, give voice to fellow Romanians, and expose to the world what is happening in his country. He eagerly joins the revolution to fight for change when the time arrives. But what is the cost of freedom? Master storyteller Ruta Sepetys is

back with a historical thriller that examines the little-known history of a nation defined by silence, pain, and the unwavering conviction of the human spirit.

A father and his boys have won 'the war': the father's term for his bitter divorce and custody battle. They leave Kansas and drive through the night to their new apartment in Albuquerque. Settled in new schools, the brothers join basketball teams, make friends. Meanwhile their father works from home, smoking cheap cigars to hide another smell. Soon his

missteps - the dead-eyed absentmindedness, the late-night noises, the comings and goings of increasingly odd characters - become sinister, and the boys find themselves watching him transform into someone they no longer recognize. Set in the stark landscape of New Mexico and the family's cramped apartment, One of the Boys delivers a superbly nuanced portrait of a violent and menacing man, manipulating the world around him that it might service his idea of himself. Brutal and urgent, this masterful debut is a story of survival: two brothers driven to protect each other

German U-boats had brought terror to the North Atlantic. But the Lusitania was one of the era's great transatlantic "Greyhounds"—the fastest liner then in service—and her captain, William Thomas Turner, placed tremendous faith in the gentlemanly strictures of warfare that for a century had kept civilian ships safe from attack. Germany, however, was determined to change the rules of the game, and Walther Schwieger, the captain of Unterseeboot-20, was happy to oblige. Meanwhile, an ultra-secret British intelligence unit tracked Schwieger's U-boat,

but told no one. As U-20 and the Lusitania made their way toward Liverpool, an array of forces both grand and achingly small—hubris, a chance fog, a closely guarded secret, and more—all converged to produce one of the great disasters of history. It is a story that many of us think we know but don't, and Erik Larson tells it thrillingly, switching between hunter and hunted while painting a larger portrait of America at the height of the Progressive Era.
