Presents an easy-to-understand guide to the Samsung Galaxy S II, and includes guides on how to take photographs, synchronize contacts, browse the Internet, and organize a music library.

Galaxy S4 is amazing right out of the box, but if you want to get the most out of your S4 or S4 Mini, start here. With clear instructions and savvy advice from technology expert Preston Gralla, you ' ll learn how to go online, play games, listen to music, watch movies & TV, monitor your health, and answer calls with a wave of your hand. The important stuff you need to know: Be connected. Browse the Web, manage email, and download apps through WiFi or S4 ' s 3G/4G network. Navigate without touch. Use Air Gestures with your hand, or scroll with your eyes using Smart Screen. Find new ways to link up. Chat, videochat, and add photos, video, or entire slideshows to text messages. Get together with Group Play. Play games or share pictures, documents, and music with others nearby. Create amazing images. Shoot and edit photos and videos—and combine images from the front and back cameras. Keep music in the cloud. Use Google Play Music to store and access tunes. Check your schedule. Sync the S4 with your Google and Outlook calendars.

provoke student enquiry. Marketing Showcase videos feature interviews with business leaders and marketing professionals, offering insights into how different organisations have successfully harnessed the elements of the marketing mix.

Smartphones sollen unser Leben vereinfachen und bereichern – funktioniert oft, aber nicht immer. Hier setzt unser Sonderheft an, eine Auswahl von aktualisierten Artikeln zum Thema Android, die in c ' t erschienen sind. Zu Recht haben Handys vielerorts die Kompaktkameras abgelöst. Wir testen Apps, die noch mehr aus den Smartphone-Kameras herausholen, die Fotos in schicke Schwarzweiß-Aufnahmen verwandeln und mit denen Sie Ihre Werke direkt als Postkarte verschicken. Unter dem Schlagwort „ Digital Detox “ zeigen wir, wie Sie die Zeithoheit über alle Stören - friede im Smartphone behalten, ohne es auszuschalten. Die gewonnene Zeit können Sie zum Meditieren oder für Hörbücher nutzen – wir haben die passenden Apps getestet. Oder Sie entspannen sich bei den Lieblingsspielen der Redaktion; vielleicht probieren Sie auch Spielestreaming etwa per Stadia aus. Im Test: das erste faltbare Smartphone, die besten Kamera-Handys, Smartphones um 300 Euro – und Öko-Handys. Zudem haben wir fast alle In-Ear-Kopfhörer einem ausführlichen Hörtest unterzogen. Schließlich zeigen wir Ihnen, wie Sie das neue Smartphone perfekt einrichten – inklusive eines Schwerpunktes speziell zum Kinderschutz. Sie lernen, wie Sie Android-Updates, Tracker in Apps und generell Traffic von Apps prüfen.

» Digital Culture & Society « is a refereed, international journal, fostering discussion about the ways in which digital technologies, platforms and applications reconfigure daily lives and practices. It offers a forum for critical analysis and inquiries into digital media theory and provides a publication environment for interdisciplinary research approaches, contemporary theory developments and methodological innovation. The third issue » Politics of Big Data « edited by Mark Coté, Paolo Gerbaudo, and Jennifer Pybus, critically examines the political and economic dimensions of Big Data and thus details its contestation. The contributions focus on the materialities and processes which manifest Big Data and explore forms of value beyond the state and capital. These range from open data initiatives, social media metrics, machine learning algorithms, data visualisation to data dashboards, critical data analysis, and new modes of data action research and practice.

#1 NEW YORK TIMES BESTSELLER • From the National Book Award – winning author of Stamped from the Beginning comes a “groundbreaking” (Time) approach to understanding and uprooting racism and inequality in our society—and in ourselves. “The most courageous book to date on the problem of

race in the Western mind. ” —The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Time • NPR • The Washington Post • Shelf Awareness • Library Journal • Publishers Weekly • Kirkus Reviews Antiracism is a transformative concept that reorients and reenergizes the conversation about racism—and, even more fundamentally, points us toward liberating new ways of thinking about ourselves and each other. At its core, racism is a powerful system that creates false hierarchies of human value; its warped logic extends beyond race, from the way we regard people of different ethnicities or skin colors to the way we treat people of different sexes, gender identities, and body types. Racism intersects with class and culture and geography and even changes the way we see and value ourselves. In *How to Be an Antiracist*, Kendi takes readers through a widening circle of antiracist ideas—from the most basic concepts to visionary possibilities—that will help readers see all forms of racism clearly, understand their poisonous consequences, and work to oppose them in our systems and in ourselves. Kendi weaves an electrifying combination of ethics, history, law, and science with his own personal story of awakening to antiracism. This is an essential work for anyone who wants to go beyond the awareness of racism to the next step: contributing to the formation of a just and equitable society. Praise for *How to Be an Antiracist* “ Ibram X. Kendi ’ s new book, *How to Be an Antiracist*, couldn ’ t come at a better time. . . . Kendi has gifted us with a book that is not only an essential instruction manual but also a memoir of the author ’ s own path from anti-black racism to anti-white racism and, finally, to antiracism. . . . *How to Be an Antiracist* gives us a clear and compelling way to approach, as Kendi puts it in his introduction, ‘ the basic struggle we ’ re all in, the struggle to be fully human and to see that others are fully human. ’ ” —NPR “ Kendi dissects why in a society where so few people consider themselves to be racist the divisions and inequalities of racism remain so prevalent. *How to Be an Antiracist* punctures the myths of a post-racial America, examining what racism really is—and what we should do about it. ” —Time
