This comprehensive resource of five sermons with complete worship services provides a solid, thematically integrated worship and preaching program for Advent and Christmas Eve. It celebrates the deep songs of faith that result from personal encounters with Jesus Christ. The four Advent messages examine biblical personalities, revealing in their experiences real struggles as well as profound joy. You'll explore how Zechariah wrestled to believe what the angel told him concerning the birth of his son; how the prophets searched for God's Word of hope in times of personal and social ferment; how Mary was willing to sacrifice her life for God's

purpose; and how the birth of Jesus, heralded by the angels and confirmed by the shepherds, combined fear and joy with divine music. In the final sermon (for Christmas Eve), Oliver links those accounts with our contemporary lives by asking what our personal response will be to the birth of the Savior. Will we allow a song of faith to arise in our lives, in our families, churches, and community? Illustrated with poignant stories and anecdotes, the sermons in "Songs For A Savior "invite us to hear again the truly good news -- that our song of faith is not so much what we create for God, as how we respond to meeting the Savior and receiving God's gift of salvation through Jesus. "Songs For A Savior" comes from the heart of one who knows the Savior. Oliver offers these worship resources from his years of helping persons discover the Savior. The liturgies develop a theme for each Sunday, and the sermons weave biblical

Of the countless commemorations of the centennial of World War I, the most striking and unforgettable was surely an art installation at the Tower of London. Created by Paul Cummins, with installation design by Tom Piper, the installation was titled Blood Swept Lands and Seas of Red, and it consisted of 888,246 ceramic poppies that slowly were added to the Tower's moat between July 18 and November 11, 2014. Each poppy represented a British or Colonial military fatality during the war; taken together, they offered a remarkable visual representation of the staggering human cost of the conflict. The installation garnered worldwide attention and drew more than five million visitors. This book presents specially commissioned color photographs of the installation at the Tower
