A comprehensive guide to modern cartridge reloading, Cartridge Reloading in the Twenty-First Century provides detailed information about getting started in reloading, selecting the basic tools needed, and choosing your components as well as step-by-step instructions for reloading rifle and handgun cartridges and how to test your loads at the range. The text is supplemented by more than one hundred detailed photographs that illustrate the various types of reloading equipment available and provide guidance in performing the actions that result in a handloaded cartridge. Cartridge Reloading in the Twenty-First Century covers many common problems the handloader may experience, provides unique information about reloading the .50 caliber BMG, and highlights the changes between reloading in the twenty-first century and reloading in the mid-twentieth century. Not only for beginners, Cartridge Reloading in the Twenty-First Century offers advanced reloading information that describes special reloading tools as well as techniques for improving the accuracy of your handloads. The content of Cartridge Reloading in the Twenty-First Century will appeal to both someone considering reloading rifle or handgun cartridges as well as a person who already has acquired some experience in cartridge reloading.

Born Ballistic is the next saga in the epic tale of one of the American West's great industrial and hunting families. Struggling to hold fast to the dream sketched on a napkin and forged on the factory floor, Bob Nosler's vision helped transform an industry. You know Bob Nosler by the bullets with his name on them, by the accurate rifles built in Bend, Oregon. With one foot in the boardroom and one in the forest, this is the story of a man, armed with a bolt-action rifle and a relentless drive to succeed.

FIELD & STREAM, America ' s largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

A thorough guide, Varmint Rifles and Cartridges provides detailed information about getting started in varmint hunting, selecting the best rifles for the job, and choosing your cartridges and other components. The text is supplemented by more than one hundred detailed photographs that illustrate the various types of rifles and cartridges available for varmint hunters. Varmint Rifles and Cartridges presents information about the history of varmint hunting and how those original rifles differ from the most popular rifles and cartridges available for varmint hunters on the market today. Each chapter of the book is dedicated to a particular cartridge, including the: •.204 Ruger •.223 Remington •.220 Swift •.243 Winchester •.257 Roberts At the end of each chapter, author C. T. Richards demonstrates how each cartridge and rifle performs through the results of range tests and trajectory tests he conducted himself. A varmint hunter since the 1950s, Richards is more than qualified to grade these products and offer advice on varmint hunting in general. The content of Varmint Rifles and Cartridges will appeal to readers considering varmint hunting for the first time, as well those who have previously acquired some experience in using these tools. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
