Includes Part 1, Number 2: Books and Pamphlets, Including Serials and Contributions to Periodicals July - December)

On 2 – 3 November 2021, to mobilize global action and highlight concrete solutions to eradicate child labour in agriculture, FAO, in close collaboration with the International Labour Organization (ILO) and in partnership with the International Partnership for Cooperation on Child Labour in Agriculture (IPCCLA) and the Alliance 8.7, organized a high-level virtual event: the Global Solutions Forum (GSF). The objectives of the GSF were to raise the voices and commitment of agricultural stakeholders, share game-changing solutions, and identify ways to step up concerted action to prevent and end child labour in all agricultural subsectors. The outcomes of the event are expected to inform the V Global Conference on Child Labour in 2022, along with other global initiatives such as the United Nations Decade of Family Farming.

Sold separately, the Solutions Manual contains illustrated solutions to the practice problems in the Electrical Engineering Reference Manual.

This student's solutions manual follows the problem-solving structure set out in the main text, and includes detailed solutions to all odd-numbered exercises in the main text.
