I had not heard of David
Windhams' Chung Kuo
prior to my purchase of
a Kindle. I particularly
like a book that
envisages the

destruction of our
present society (or the

good choice. I was
pleased to find I had
stepped into the
beginning of a series of

out this Autumn.

It was a re-write born of dissatisfaction, mine as well as the fans. Added to which, I always wanted to tell the story of how our world got to be Chung Kuo's world, that vast Utopia gone wrong. SON OF HEAVEN, my tribute to

~~[tIm.eBook] Son of
Heaven (Chung Kuo)
By David Wingrove ...~~

Son of Heaven is the
first novel in the new
version of David
Wingrove's Chung Kuo
series, a science fiction
epic spanning 200 years
of future history. In

Get Free Son Of Heaven Chung

Wingrove's series, the entire world has come to be dominated by China, which has constructed vast, continent-spanning cities packed with billions of people and begun to expand into space.

The year is 2085, two decades after the great

Get Free Son Of Heaven Chung

economic collapse that destroyed Western civilisation. With its power broken and its cities ruined, life in the West continues in scattered communities.

This epic of the future creates the world of Chung Kuo, blending high technology and the ancient Far East, and chronicles "The War of

Two Directions," in
which progress battles
stability

Under Threat The year
is 2207. Chung Kuo's
perfect stasis is falling
apart. The Seven's
dominance is threatened
by a series of terrorist
attacks as the War of
Two Directions
intensifies. Howard
DeVore, the Seven's

greatest enemy, is
masterminding the
atrocities - but how can
they hunt down a man
who seems to be
invulnerable? Under
Attack Kim Ward, the
Clay-born scientific
genius, is attacked by a
group of deadly
assassins, bent on
destroying his work.
And a group of rich
young American rebels

intend to create Change.

At any price.

A Restless Peace It is
2206. As Chung Kuo's
population continues to
swell, the Seven - the
ruling T'angs - are
forced make further
concessions; laws must
be relaxed and the
House at Weinmar
reopened. Change is
coming, whether the

Seven like it or not. A
Secret War The tides of
unrest unleashed by
earlier wars grow faster
even than the
population. DeVore
secretly allies with
newly appointed
general, Hans Ebert. It
seems that DeVore's
plans are coming to
fruition. But Ebert has
his own schemes and
plots - he intends to

depose the Seven and
control the whole of
Chung Kuo.

The year is 2196. After
more than a century of
peace and stability,
Chung Kuo - the great
Empire of Ice controlled
by seven ruling kings,
the T'ang - has finally
been shaken. Lwo Kang,
Minister of the Edict -
the legal instrument that

prevents change - has
been assassinated;
blown away while in the
imperial solarium.

CHANGE IS ON THE
AIR: The generals of
the Middle Kingdom
await the decision of the
emperor. The campaign
to secure the border
from China to Iraq has
reached a strange
impasse. Two blood

enemies - Arabs & Jews
- have united against
their common cause.

But with the lives of
thousands at his whim,
the exalted Tsao Ch'un,
the Son of Heaven,
cannot decide. Destroy
the Middle East in one
blinding flash? Or take
another path? BUT THE
WAY IS UNCLEAR: In
the court of Tsao Ch'un,
men of power have

become smiling lackeys,
whose graces conceal
their fear, or their
ambition. A man that
can be trusted absolutely
is a rare thing. And so,
with his family held
hostage by the empire,
General Jiang Lei finds
himself appointed to a
special task: the
orchestration of the last
great war against the
West. The total

dominion of America.

WAR APPROACHES:

But life in the world of levels continues. No hint of war, or want, or discontent can infiltrate the oppressive, ordered society that replaces the world Jake Reed once knew. Since the first airships rolled over the horizon, nothing has been the same. His new life means new thinking,

new customs, a new way of behaving, & with his every move scrutinized, Jake can only serve the bureaucracy of new China. But he is not the only citizen who feels discontent with the anodyne new order.

Two gripping beginnings in one: the first and second

instalments in David
Wingrove's epic Chung
Kuo series Son of
Heaven It's 2065, and
twenty years after the
great economic collapse,
Western civilisation
struggles on. Jake Reed
was one of the lucky
ones, now living in rural
Dorset with his
memories and his
14-year-old son. But
Chinese airships are

arriving in the skies and a strange, glacial structure has begun to dominate the horizon. A resurgent China is seeking to conquer the world - and Jake will find himself at the heart of the struggle for the future. Daylight on Iron Mountain China is on the verge of world domination, but two blood enemies - Arabs

and Jews - have united
against their common
cause. The exalted Tsao
Ch'un, the Son of

whether to destroy the

oppressive, ordered
society of new China,
Jake Reed is not the
only one feeling a little
rebellious...
