them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

"This memoir conveys us back to Draitser's childhood and adolescence and provides a unique account of post-Holocaust life in Russia. We live side by side with young Draitser as he struggles to reconcile the harsh values of Soviet society with the values of his working-class Jewish family. Despite the waves of anti-Jewish campaigns, which swept over the country and climaxed in the infamous "Doctors' Plot," we feel the Draitser's loving family life - lively, evocative, and rich with humor. This intimate story ends with the death of Stalin and, through the author's anecdotes about his ancestors, presents a sweeping panorama of two centuries of Jewish history in Russia."--BOOK JACKET.
