In 1978 Julian Richer, then aged just nineteen, opened his first shop near London Bridge. For over twenty years this shop has been listed in the Guinness Book of Records as having the highest sales per square foot of any retail outlet in the world, and the company as a whole, with its fifty-three stores nationwide and huge online presence, has become Britain ' s favourite retailer of TV and hi-fi equipment. What lies behind this extraordinary success? For Julian, the answer is simple: throughout his career he has focussed relentlessly on putting people – both staff and customers – right at the

centre of his business. And in *The Richer Way*, he offers a supremely practical guide to how others can follow suit. He explains how to motivate employees and measure their progress. He establishes how to balance company discipline with individual autonomy. He explores what 'customer service' should really involve. Above all, he points the way to creating an open, friendly and flexible culture that will not only attract the best people but also offer the greatest chance of business success. Packed with straightforward, common-sense advice, *The Richer Way* will prove essential reading for all organisations, whatever their nature and size.

Avoid the messy confrontations that accompany delivering bad news personally and let one of these cute baby animal postcards deliver the devastating message for you. Are you afraid to tell your girlfriend that her ass looks fat? Do you need to explain to your nephew that dreams don't come true? Why not let a cute, fuzzy bunny do it for you! We understand how hard it is to tell someone that you're sleeping with his wife, so let a photograph of a duckling sleeping on a teddy bear soften the blow. These perforated postcards answer all of your cowardly prayers—you'll finally be able to tell the truth without ever conquering your fear of confrontation. Let these adorable baby animals supply a silver lining to any bad situation and avoid, a long, tearful afternoon explaining why daddy's never coming home.

How to be treated like shite in 15 different countries...and still quite like it!

In 1985, forty hooligan followers of Stoke City FC experienced a riotous trip to Portsmouth - and the Naughty Forty was born. It became one of the most notorious soccer gangs in Britain. Mark Chester was a founder member of the

N40. Already a hardened fighter, he had been expelled from school after an unsettled childhood and joined the Staffordshire Regiment, only to be discharged for misconduct. Stoke City's emerging 'casual' mob became his family. 'Right or wrong, I was ready to be a committed football hooligan,' he says. He recounts tales of raucous coach trips from the Glebe pub and the pivotal clashes with the likes of Everton, Manchester United and West Ham that defined the new firm. Formidable characters came to the forefront, men like the giant Mark Bentley, Philler the Beast and the legendary Miffer, while hair-raising clashes with the likes of Millwall, Spurs, Aston Villa and Manchester City saw the gang's reputation spread. The N40 code was simple: whatever the odds, they would always make a stand. Many times they fought when heavily outnumbered yet often came out on top. They developed a closeness and cohesion rare among the football gangs. Loyalty was their watchword. Soon they were joined by the Under-Fives, a younger element determined to win acceptance from the terrace legends they admired and who carved out their own niche as well as fighting side by side with the old-school heads. Police operations, bans from the ground and the introduction of ID schemes have prevented many from attending games, but the author, long 'retired' from the scene, argues that in the new millennium the gangs are back - and as ferocious as ever. NAUGHTY is essential reading for anyone wishing to understand the illicit but seductive lure of terrace combat, the emotional ties of a gang and the addictive buzz of Saturday afternoons.
