"If you're like us, you probably have questions about friendships. Maybe you're not sure if someone is a real friend or the other kind." So goes the story of Jack, Jen, Chris, Abby, Mateo, and Michelle-six students trying to figure it all out in middle school. Real Friends vs. the Other Kind, the second book in the Middle School Confidential series, follows these characters as they work to forge friendships while navigating tough social situations. The book offers insider information on making friends, resolving disputes, and dealing with other common middle school concerns-like gossip, exclusion, and cyberbullying. There's also expert advice on crushes, peer pressure, and being there for friends who need help. Filled with character narratives, quizzes, quotes from real kids, tips, tools, and resources, this book is a timely and engaging survival guide for the middle school years.

A classic Civil War memoir, Co. Aytch is the work of a natural storyteller who balances the horror of war with an irrepressible sense of humor and a sharp eye for the lighter side of battle. It is a testament to one man's enduring humanity, courage, and wisdom in the midst of death and destruction. Early in May 1861, twenty-one-year-old Sam R. Watkins of Columbia, Tennessee, joined the First Tennessee Regiment, Company H, to fight for the Confederacy. Of the 120 original recruits in his company, Watkins was one of only seven to survive every one of its battles, from Shiloh to Nashville. Twenty years later, with a "house full of young 'rebels' clustering around my knees and bumping about my elbows," he wrote this remarkable account-a memoir of a humble soldier fighting in the American Civil War, replete with tales of the common foot soldiers, commanders, Yankee enemies, victories, defeats, and the South's ultimate surrender on April 26, 1865.

Two veteran CIA technical operatives journey behind the closed doors of the Central Intelligence Agency to describe a deadly battle between the KGB and CIA during the twilight years of the Cold War, detailing the defection of Edward Lee Howard, the betrayal of CIA officer Aldrich Ames, and espionage operations in the wake of the disaster. Reprint.

When Sweetie (Monica Fuller) caught her fiancé in bed with another woman, she swore never to allow any man to get close enough to hurt her again Celibacy and her adult "toy Box" had suited her fine until Gabriel Windahl called her office. Sinfully seductive, his voice aroused needs in her that no toy could fill. Since he was thousands of miles away, she thought it was safe to indulge in late night calls that left her in a state of orgasmic euphoria. Then one morning he showed up in her office, and the real fun began.
