Emily Winston is happily leaving her old life behind to become a mail order bride for a man in the Montana Territory. Having spent the past six years as the ward of her aunt, a madame at a Minneapolis brothel, she is certainly more knowledgeable in the ways of men and women than the typical virgin. In fact, she has a secret. A secret she must keep from her groom until the last possible moment, when she is beneath him in their marital bed. The repercussions of this discovery could jeopardize her newfound freedom. Wyatt Blake has put in his requirements with a matchmaking madame for a bride, unhappy with the selection of brides in his small town. He isn't looking for a meek, mild wife, but one who can meet all of his more carnal needs. When Emily arrives on the stage, he knows the match was well made. But he discovers there's more to Emily than just a normal wife. When a simple bout of matchmaking raises questions and brings unforeseen complications, can their new marriage survive?

Women want me for my money. My name. I'm South Wainright and winning my heart means the keys to Billionaire Ranch. Getting in my bed's one thing, but my heart's off limits. Until I see her. The maid. She's new to town. A beautiful mystery. Sweet, shy and... not interested. For some reason, she doesn't want a man with a fortune, which means we're perfect for each other. I fall and fall hard. Except Maisey's living a lie. She is a lie. Because after a lifetime of deception, I need the truth.

"I would love to get wrapped up in Chance's rope! WOW! What a cowboy!" A feisty heroine and an alpha cowboy determined to make her his. Rose Lenox has always been more comfortable on the back of a horse than wearing ribbons and bows. For years, she's been content working on the family ranch, but lately she's wanted more. She's determined to strike out on her own and find freedom from her unorthodox family. Chance Goodman has watched Rose grow up from a spitfire little girl into a fiery woman. He's wanted her for years, waiting patiently until he could make her his. When she leaves the Lenox ranch determined to abandon her former life and to say good-bye to him, he knows now is the time he must claim her. Letting her go isn't an option. This book was previously published as Rose in the Wildflower Brides series.

Colonel Utah Blaine, held captive by the Army of the Revolution, broke out of jail and headed north from Mexico with nothing but the clothes on his back. Then he found new trouble struggling at the end of a noose – and stepped in just in time to save the life of a Texas rancher. The would-be executioners were the rancher's own men, looking to steal his land. Now Utah has a unique proposition: Have the wealthy Texan play dead, introduce himself as the spread's new foreman, and take care of the outlaws one by one. The wage to fight another man's war? A hundred a month plus expenses. The cost of falling in love while he earns that wage? It wasn't exactly part of the original agreement, but Utah will soon find out – unless the bad guys get to him first.
