On a hot July morning on Sweden's idyllic vacation island of Sandhamn, a man takes his dog for a walk and makes a gruesome discovery: a body, tangled in fishing net, has washed ashore. Police detective Thomas Andreasson is the first to arrive on the scene. Before long, he has identified the deceased as Krister Berggren, a bachelor from the mainland who has been missing for months. All signs point to an accident—until another brutalized corpse is found at the local bed-and-breakfast. But this time it is Berggren's cousin, whom Thomas interviewed in Stockholm just days before. As the island's residents reel from the news, Thomas turns to his childhood friend, local lawyer Nora Linde. Together, they attempt to unravel the riddles left behind by these two mysterious outsiders—while trying to make sense of the difficult twists their own lives have taken since the shared summer days of their youth.

Sandhamn Island's archipelago is a beautiful place to visit. For a mother on the run, it's the only place to hide in a novel of escalating suspense by Viveca Sten, bestselling author of Still Waters. Building a case against Andreis Kovač is a risky strategy for prosecutor Nora Linde. A violent key player in Stockholm's drug trade and untouchable when it comes to financial crimes, he has the best defense money can buy. To topple Andreis's empire, Nora's working a different angle. It's personal. Nora's critical witness is Andreis's wife, Mina—if she'll testify. Mina has suffered her husband's rage too long. It's nearly cost her her life. Still carrying the traumas of the Bosnian War, Andreis can be triggered like an explosive. He must be taken down. And as the trial looms, Mina and her infant son must disappear. The police have found her a safe place to hide on Runmarö Island in Sandhamn's archipelago. But there's no shelter from a man as powerful and merciless as Andreis. Especially when he's being crossed. His campaign of terror has just begun. He's prepared to crush anyone who stands in his way: Mina, Nora, and everyone they know and love. Andreis is coming for them. This time, Nora is on the defense.

It's a beautiful day for a regatta—until one of Sandhamn Island's most prestigious residents is killed aboard his sailing yacht. Oscar Julander was a rich lawyer and deputy chairman of the prestigious Royal Swedish Yacht Club. While at first his death seems like a tragic accident, there is evidence of foul play. Police detective Thomas Andreasson teams up with local lawyer Nora Linde to investigate. As they work to uncover clues, they face resistance from an elite world where nothing but appearance matters. When the rich and powerful inhabitants of Sweden's idyllic island getaway come under scrutiny, Thomas and Nora must work closely and secretly to seek justice.

A shocking abduction rocks idyllic Sandhamn Island in an enthralling novel of suspense by Viveca Sten, bestselling author of In the Heat of the Moment. With the summer season on Sandhamn comes an unsettling mystery for Detective Inspector Thomas Andreasson. A bullied young boy has vanished from a sailing camp on neighboring Lökholmen Island. Has the terrorized eleven-year-old run away? Or, in this isolated vacation spot where strangers lurk, is it something more ominous? The disappearance has also captured the interest of Thomas's longtime friend, attorney Nora Linde. The missing child happens to be the son of her latest client, Christian Dufva. He is a key witness against his partner in a high-profile embezzlement trial, and Dufva's testimony could be devastating. It'll also be Nora's biggest win—the next step toward a position as chief prosecutor. But with every anonymous threat against Dufva, the stakes get higher. When new evidence surfaces in their respective cases, new questions and fears arise for Thomas and Nora. Time is running out to resolve them. So is hope of finding the boy alive. Because on Sandhamn Island, the truth is buried as deep as the secrets.

When two cold case disappearances are reopened, a decade of deadly secrets is unearthed on Sandhamn Island in the #1 bestselling thriller by Viveca Sten, author of In Bad Company. A woman's skeletal remains are excavated on an uninhabited island in Sandhamn's archipelago, and Thomas Andreasson is called to officially investigate. But his best friend, Nora Linde, can't help but get involved. On leave after her last case took a dark turn, Nora is tortured by depression, nightmares, and guilt. Her marriage fractured, her pride chipped away, Nora could find redemption in this investigation. Then evidence suggests two possible cold cases linked to the grim discovery: two women who have been missing for ten years. Now Nora feels compelled to unearth a mystery someone has gone to great pains to bury. What could have happened to require such a cover-up? As the cold case vanishings converge, Nora follows a twisting trail of revenge, blackmail, and betrayal. She's also inviting the watchful eye of someone determined to stop her. To free herself from the damaging grip of the past—and the reach of a relentless killer—Nora is going to have to brave the darkness one more time.

What do the new arrivals on Sandhamn Island have to fear? Their own secrets—in this gripping novel of suspense by the bestselling author of In the Heat of the Moment. The new summer house on Sandhamn Island is an architectural dream for its owner, Carsten Jonsson. It's a nightmare for the locals. The venture capitalist has flouted local traditions, property lines, and the natural beauty of the coastline. He's also too wealthy and arrogant to heed the anonymous warnings to leave. The threats escalate when his guest lodge is burned to the ground and an unidentifiable corpse is found in the charred ruins. Detective Inspector Thomas Andreasson isn't sure if it's murder or a tragic accident. Until his friend attorney Nora Linde is drawn into the investigation. Nora's emotional investment in Carsten's fragile and fearful wife, Celia, is yielding a new level of suspicion: that the Jonssons are hiding more than anyone can imagine. Now Thomas and Nora must sift through the ashes of a puzzling crime and step into the shadows of a powerful family, whose deadly secrets are coming to light on Sandhamn.

Attorney Nora Linde is asked by Detective Thomas Andreasson, a childhood friend, to help in a disturbing investigation. The apparent suicide of a university student turns into something more sinister: a thirty year-old cold case that someone wants to keep covered up.

What's a lie among friends? It's murder—in this riveting thriller by Viveca Sten, bestselling author of Tonight You're Dead... It's Midsummer's Eve, the celebration of the longest day of the year, and on Sandhamn it's the longest party of the year. But the fun comes to a dead halt when a young reveler is murdered, a teenage girl is found drugged and dazed on the beach, and other young women vanish. So far, what links the victims is a mystery. For Nora Linde and her new boyfriend, Jonas Sköld, the crimes are personal: one of the missing girls is Wilma, Jonas's daughter. And her disappearance could test Nora and Jonas's relationship in ways they never expected. Thrust into the investigation, they soon discover that it's more than a case of bad blood between friends. But the truth, which has receded into a haze of carousing, drugs, and liquor, is getting harder to see. If Nora and Jonas are going to find out what happened to Wilma, they'd better do it fast—before the ebbing tides sweep away all the terrible secrets of that night on Sandhamn Island.
