Here's a tip: never trust a jackass in preppy clothing. The phrase "trust me" should have been my first clue to hightail it out the door, but hindsight is always 20/20. So there I was, on a stage with two other men, being asked ridiculous questions by a woman I couldn't see, but whose voice made my pants tighten, and not around my ankles. Before I knew what was happening, I'd signed up for six weeks in paradise, isolated on an island for forty-two days with a complete stranger. And when I finally laid eyes on the sexy brunette who belonged to that voice, a part of me always thought this wouldn't be so bad. I've always been a levelheaded guy. I am a successful, smart, and shrewd businessman. But that was when I was listening to the head above my shoulders. Once the blood traveled south, I always ran into trouble. She called me Mr. Wrong, and that was fine with me. Lesson learned: lust always trips logic.

Still, Paul promised Todd he would take care of Torie. She certainly needs him now...almost as much as he wants her. And that's exactly what a killer is counting on... Praise for Dark And Dangerous "Non-stop action!... this thrilling debu...will leave you rapt and breathless." —Lisa Gardner

For one night of my life, I dared to do something reckless. My birthday. A bar. Karaoke. And a man so hot he could melt the sun. Sparks flew. Lust took over. For one night of my life, I felt alive. Then I was back to my " boring " life. Career-driven. Goal-oriented. Always planning ahead. But nothing could have prepared me for the positive pregnancy test. We weren ' t that reckless. There goes my " boring " life. And what happens when I tell the father?
