"The U.S. Department of Education reports that about half of the students who start college will never finish and 75% will graduate with student loan debt. Homeschooling for College Credit teens graduate high school with about 1 year of college under their belts, but motivated teens can finish their degree. Homeschooling for College Credit brings the goal post closer and teaches you how to pay cash as you go. Homeschooling for College Credit will challenge you to reconsider the wisdom of popular college propaganda, and how to make better choices for your family. Even if you've never been to college, this book will turn you into a well-informed homeschool guidance counselor ready to proceed with confidence."--Amazon.com.
