University Success Writing is designed for English language learners preparing for mainstream academic environments. A flexible three-part approach systematically builds skills tied to specific learning outcomes along with authentic writing strategies from top Stanford University professors. A strong focus on critical and creative thinking prepares students to approach writing assignments in different disciplines and write in academic degree classes. The Writing stand supports students through the writing process and moves them away from the production of highly structured essays. * Each part is a self-contained module allowing teachers to focus on the highest-value skills and content. Topics are aligned around science, technology, engineering, arts, and mathematics (STEAM) content. - Parts 1 and 2 include presentation and controlled writing practice that guide students through the writing process while building their essential writing and critical thinking skills. - Part 3 includes interviews with professors discussing their own writing processes. Assignments allow students to apply and expand the skills acquired in Parts 1 and 2. * Additional online skill and vocabulary practices, collaboration activities, and assessments. * Strategies for academic success and soft skills delivered via online videos. * NEW! You can now create unique custom University Success content packs with Pearson Collections.

Project Success is a blended-learning digital and print course with a strong focus on workplace skills, career readiness, and 21st century challenges. This unique video-based series engages learners with high-interest video vignettes that represent a "day in the life" of characters in diverse workplace settings that may simulate their own. Integrated skills lessons encourage critical thinking and problem solving woven into the students' English language learning journey.
