In the sleepy town of Bratislava in 1933 a romantic girl falls for a bookseller from Berlin. Greta Weissensteiner, daughter of a Jewish weaver, slowly settles in with the Winkelmeier clan just as the developments in Germany start to make waves in Europe. The political climate in the multifaceted cultural jigsaw puzzle of disintegrating Czechoslovakia becomes more complex and affects relations between the couple and the families. The story follows their lot through the war with its predictable and also its unexpected

Denny turns and events and the equally hard times after. From the moment that Greta Weissensteiner enters the bookstore where Wilhelm Winkelmeier works, and entrances him with her good looks and serious ways, I was hooked. But this is no ordinary romance; in fact it is not a romance at all, but a powerful, often sad, Holocaust story. What makes *The Luck of the Weissensteiners* so extraordinary is the chance Christoph Fischer gives his readers to consider the many different people who were never in concentration camps, never in the military, yet who nonetheless had their own indelible Holocaust experiences. Set in the fascinating area of Bratislava, this is a wide-ranging, historically accurate exploration of the connections between social location, personal integrity and, as the title says, luck. I cared about every one of this novel's characters and continued to think about them long after I'd finished reading. --

Andrea Steiner, University of California Santa Cruz The Luck of the Weissensteiners is an epic saga set in wartime Eastern Europe. It follows the lives of two families - one Jewish, one Catholic - and their entwined survival amidst the backdrop of the second world war; first the fascist then the communist invasion and occupation of Slovakia, and the horror of the consequences of war. The reader is transported to a world of deception, fear, distrust and betrayal, alongside enduring love and family drama. The characters are vividly painted in the mind of the reader as we follow their journey across Europe at a time of unimaginable challenge and trauma. Weissensteiners is a magnificent tale of human survival. I wish I hadn't read it already so that I may repeat the pleasure of discovering and becoming lost in the story once again.(less)

each new regiment came strengthened resolve to salvage their shattered lives despite defeat and military occupation. In this look at Loudoun County's role in the Civil War, historian Stevan Meserve narrates not only the large-scale fighting at Ball's Bluff in 1861 and in the Loudoun Valley cavalry battles of 1863, but also the lives of the citizens who sacrificed their crops and livestock, cared for the wounded and buried the dead of storied regiments such as White's Comanches, Cole's Potomac Home Brigade, Mosby's Rangers and the Independent Loudoun Rangers. Drawing upon military accounts and other historical documents, *The Civil War in Loudoun County* celebrates their eventual triumph and the vibrant communities that exist today.

of Mexico's conqueror Hernán Cortés, and participated in the campaigns that led to the fall of the Aztec empire in 1521. This 1928 translation of his journals derives from the 1904 edition by the Mexican historian Genaro García - the first edition based on the original manuscript. Written as a corrective to accounts that overemphasised Cortés' exploits, Díaz's epic includes the experiences of the common soldier: hardship, thirst, long marches and unexpected attacks by rebels. The most complete contemporary chronicle of the Mexican conquest, this important historical document is also a captivating adventure narrative that combines factual accuracy with many dramatic anecdotes. This volume, containing chapters 137-173, describes the fall of Mexico. An appendix prepared by the editor provides a timeline of the 1521 siege based on both Díaz's and Cortés' accounts of the event.

Miller A complete regimental roster and index An Excerpt: The attack on Fort Gregg, Petersburg, Virginia, April 2, 1865: ...when within 50 yards of the fort, Sergt. Emanuel M. Adams of Company D, color-bearer, fell wounded. The colors were picked up and bravely carried forward by Private Joseph R. Logsdon of Company C, as the brigade charged on over the dead and wounded of the First Division. After our men had got into the ditch surrounding the fort, they remained there perhaps twenty minutes before they made an entrance. In the meantime the Rebels were throwing dirt, stones and various kinds of missiles upon them. At length as a movement toward entering the fort, the gallant

Logsdon undertook to plant the flag of the Twelfth upon the parapet, and was killed, falling back into the ditch. The colors were then seized by Lieut. Joseph Caldwell of Company A, who leaped upon the parapet, and in attempting to plant the colors there was killed, falling also into the ditch. The flag fell inside of the fort. Then the brave boys of the Twelfth rushed to the parapet to recover their flag. They were joined by comrades of the rest of the brigade. Pouring a volley into the Rebels, the boys of the Twelfth leaped into the fort and planted their flag on the parapet - the first colors on the Rebel works. Private Joseph McCauslin, Company D, and two comrades of the 12th received the Congressional Medal of Honor for conspicuous gallantry in the assault on Fort Gregg.
