Surrender to Me is Book Four in the highly addictive forbidden romance The Wolf Hotel series I have battled my controlling family and won. I finally have what I want most—the wickedly sinful billionaire Henry Wolf, committed to me and within arm's reach most nights. If only it could stay that way. Because now I find myself caught between two titans vying for the Wolf empire, worth enough to make any moral man lethal. And Henry's brother is immoral to the bone. What will Henry do to save what he loves? And will I fall into that category? Surrender to Me should be read after Tempt Me, Break Me, and Teach Me.

With his career as a Navy SEAL on hold, Hunter accepts an acquaintance's proposition to share in a *mânage à trois*, but he unexpectedly falls for Kata and desires more than one night with her.

She had lost nearly everything . . . When a terrible tragedy left her penniless and alone, Lady Astrid Derring did whatever it took to survive. She fired half her staff, borrowed gowns, and subsisted on cucumber sandwiches from the galas she attended. She endured the wagging tongues of the ton and the indecent proposals from noblemen who deemed her ripe for the plucking. Finally, she finds a way to escape the shame and restore her good name. But it will require a dangerous journey to Scotland, where she will come face-to-face with danger . . . and a sinfully handsome rogue who may be the greatest threat of all. Any gentleman would lend his hand to a lady in distress, but handsome, rough-hewn Griffin Shaw is no gentleman, and Astrid is far from safe in his company. Accompanying her through the Highlands is a small price to pay for luring her into his bed. Entranced by her boldness, enchanted with her beauty, he is determined to thaw her cold heart. However, he soon finds himself wanting more than a brief affair with the proper lady. Nothing less than the total surrender of her heart will satisfy him.

New York Times bestselling author Shayla Black invites readers to explore the desires of her Wicked Lovers... Racing against time, NSA agent Joaquin Muñoz is searching for a little girl who vanished twenty years ago with a dangerous secret. Since Bailey Benson fits the profile, Joaquin abducts the beauty and whisks her to the safety of Club Dominion—before anyone can silence her for good. At first, Bailey is terrified, but when her kidnapper demands information about her past, she's stunned. Are her horrific visions actually distant memories that imperil all she holds dear? Confined with Joaquin in a place that echoes with moans and breathes passion, he proves himself a fierce protector as well as a sensual Master who's slowly crawling deeper into her head...and her heart. But giving in to him might be the most delicious danger of all. Because Bailey soon learns that her past isn't the only mystery. Joaquin has a secret of his own—a burning vengeance in his soul. The exposed truth leaves her vulnerable and wondering how much about the man she loves is a lie, how much more is at risk than her heart. And if she can trust him to protect her long enough to learn the truth.

A firsthand look into Kim Walker-Smith's journey from a place of shame and fear to stages around the world where she boldly proclaims the unconditional love of God. Kim Walker-Smith's passionate performance of "How He Loves" helped transform Jesus Culture into a global worship movement. But she wasn't always so confident of God's unrelenting, powerful love. Coming from a painful childhood, Kim struggled to believe that God could heal her heart or bring any sense from her past. Yet when she chose to hand her struggles over to God and receive His love, freedom, and healing in return, everything began to change. On the other side of surrender, Kim began a journey of looking at one painful memory at a time with God and exchanging her perspective for His truth—a journey in which God rewrote her story of pain into a story of redemption and hope. If you are longing to experience God more than the shame or hurts of your past, the pressures of your present, or the fear of your future, Brave Surrender offers a soul-healing path forward. As Kim learned in her own life, the first step—and the bravest step—is letting go. Once we let go of anything that gets between us and God, we are freed to take hold of the life that truly matters. As Kim writes, "When we encounter God's love, it changes the way we see. And when we learn to see what He sees, we will never be the same again."
