Exam Board: SQA Level: National 5 and Higher Subject: English First teaching: September 2017 (N5) / September 2018 (Higher) First exams: Summer 2018 (N5) / Summer 2019 (Higher) Understand, analyse and evaluate The Cone-Gatherers with this study and revision guide, written by experts who know how to prepare students for success in the National 5 and Higher English Critical Reading papers. Fully up to date with SQA's latest exam requirements, this guide: - Develops understanding of plot, structure, characterisation, themes and language through clear explanations and detailed commentary, supported by definitions of key terms and unfamiliar words - Builds critical and analytical skills as students are encouraged to think more deeply about the text and consider the writer's ideas, choices and techniques - Provides advice on how to tackle the different question types in the Scottish Texts section of the exam, with sample questions, model answers and examiner-style commentary, plus additional practice questions for students - Explains the requirements for the Critical Essay section of the exam, with tips and examples for planning, structuring and writing a top-grade essay, plus practice essay questions for students to answer - Highlights key quotations that students can use to enhance their exam responses and make comparisons between different parts of the text - Checks whether students have remembered the key points by including quick 'Review your learning' questions at the end of each chapter

A memoir of the life and World War II service of Battle of Britain veteran, RAF fighter pilot Bob Foster. Bob Foster's flying years began shortly before WWII, when he learned to fly with the RAFVR. Called up for war service in September 1939, he completed his training and was posted to 605 Squadron, equipped with Hawker Hurricanes. By early September 1940 he and his Squadron were in the thick of the air fighting over southern England, operating from Croydon. Surviving the Battle, he later became an instructor, but shortly after joining 54 Squadron, which had Spitfires, he and his unit were sent to Australia to defend the Darwin area from Japanese incursions. Awarded the DFC for his efforts, he returned to the UK and was given an assignment with a RAF public relations outfit, ending up in Normandy within three weeks of the invasion of 1944. Often serving right up in the front lines, Bob saw the war at very close hand, and then quit by chance became one of the first, if not the first, RAF officer to enter Paris with the liberating French army, and again, by chance, was in General de Gaulle's triumphant procession down the Champs-Élysées. His memoir is an entertaining collection of stories and reminiscences of two distinct areas of WWII, which also shows how luck often shaped the lives of the fighter pilots involved. Bob Foster later became a successful sales manager with Shell-Mex and BP, as well as serving with the Royal Auxiliary Air Force. He now lives with his wife Kaethe near Bexhill in East Sussex.

Test questions are provided for each chapter of this textbook, together with detailed mark schemes to make assessment easy. Two versions of each question are provided. One allows pupils to write their answers in the spaces provided and the other requires pupils to have separate writing paper. Questions can be grouped according to needs. Master grids are provided to cut and paste tests together in a consistent format to use the resource in any order. Chapter tests can be grouped to form a module test after chapters. End-of-chapter examinations can also be produced in this way. A free non-calculator supplement organized by unit/chapter is also included in this resource.
