Concludes that the closest thing in Western culture to the Middle Way of Buddhism is not any sort of theory or philosophy, but the practice of literature.

The autobiography of an American Gen-X woman who immerses herself in the sexual mysteries of tantric yoga. □ An engaging insider's story that intimately portrays the details of the tantric sexual path from a young woman's point of view. □ Author is one of the few Americans to be initiated into the sacred cobra breath. □ Reveals not only the benefits but also the pitfalls, problems, and temptations of this path toward enlightenment. □ Includes meditations and exercises for beginning a tantric practice. Tantric Awakening discloses an epic experience of tantra that few have achieved, and even fewer would dare to attempt. This is the story of a 19-year-old girl, disillusioned by the questions that her religion and society fail to answer, who courageously enters the sensuous rituals of tantric sex. In search of authentic knowledge, Brooks was admitted into secret societies where she learned firsthand the ways of the tradition from tantric adepts. Amid disapproval from family and friends, her body and spirit awaken to ecstatic levels of orgasmic pleasure that allow her to experience loving relationships, better health, and a deep sense of oneness with God. A personal and intimate portrait, Tantric Awakening is tastefully written to reveal not only the ecstatic power and spiritual benefits of tantra, but also the pitfalls, problems, and temptations of this path toward enlightenment. With the inclusion of specific tantric sexual techniques the author shows how to use tantra to balance the spirit with the physical self in order to achieve personal empowerment, transforming fear and self-doubt into joy and self-confidence. Meditations, exercises, and important insights for beginning a tantric practice assist the reader who is inspired to bring a sense of the divine into daily life.

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

To save her sister's life, Faris must smuggle magic into a plague-ridden neighboring kingdom in this exciting and dangerous start to a brand-new fantasy duology. Faris grew up fighting to survive in the slums of Brindaigel while caring for her sister, Cadence. But when Cadence is caught trying to flee the kingdom and is sold into slavery, Faris reluctantly agrees to a lucrative scheme to buy her back, inadvertently binding herself to the power-hungry Princess Bryn, who wants to steal her father's throne. Now Faris must smuggle stolen magic into neighboring Avinea to incite its prince to alliance—magic that addicts in the war-torn country can sense in her blood and can steal with a touch. She and Bryn turn to a handsome traveling magician, North, who offers protection from Avinea's many dangers, but he cannot save Faris from Bryn's cruelty as she leverages Cadence's freedom to force Faris to do anything—or kill anyone—she asks. Yet Faris is as fierce as Bryn, and even as she finds herself falling for North, she develops schemes of her own. With the fate of kingdoms at stake, Faris, Bryn, and North maneuver through a dangerous game of magical and political machinations, where lives can be destroyed—or saved—with only a touch.

"Adam Kingsley reigns as the young prince of Manhattan. Everything he touches turns to gold, making him the envy of Wall Street. Women swoon at his feet, money falls out of his pockets, and his killer good looks are as wicked as sin. A dangerous trifecta. What more could a thirty-two-year-old man wish for? Maybe that his life never changes and his murky past stays far away. Sounds reasonable, but life seldom is. Kathryn Delcour is an alluring socialite with unique erotic tastes. When she suddenly appears on the New York City social scene, Adam finds her too tempting to resist. He has to have her, but she is warned to stay away from him and his player ways. She tries her hardest to keep him at arm's length, but Kathryn's arms may not be strong enough to hold Adam at bay"--Page 4 of cover.

Anger kills. We're speaking here not about the anger that drives people to shoot, stab, or otherwise wreak havoc on their fellow humans. We mean instead the everyday sort of anger, annoyance, and irritation that courses through the minds and bodies of many perfectly normal people. □ If your immediate impulse when faced with everyday delays or frustrations—elevators that don't immediately arrive at your floor, slow-moving supermarket lines, dawdling drivers, rude teenagers, broken vending machines—is to blame somebody; □ If this blaming quickly sparks your ire toward the offender; □ If your ire often manifests itself in aggressive action; then, for you, getting angry is like taking a small dose of some slow-acting poison—arsenic, for example—every day of your life. And the result is often the same: Not tomorrow, perhaps, or even the day after, but sooner than most of us would wish, your hostility is more likely to harm your health than will be the case for your friend whose personality is not tinged by the tendencies to cynicism, anger, and aggression just described. In Anger Kills, learn how to recognize the symptoms of chronic anger in yourself, avoid feelings of hostility, and deal with hostility from others.

Lilah Mason, a compassionate, dedicated physical therapist is determined to help Adam, her toughest patient, even though he continually challenges her methods and authority, but in helping Adam win his battle, she is gradually losing her heart. Reprint.

You're no idiot, of course! You're smart, funny, and well put-together. In fact, your friends and family consider you quite the "catch." But when it comes to getting a date on Friday night, the only person calling you is Mom--who's hoping that you're not at home! Don't call it a night just yet! The Complete Idiot's Guide to Dating, Second Edition by renowned radio personality Dr Judy Kuriansky shows you how to make your mother proud and get the date of your dreams.

In this updated, fully illustrated second edition, the author uncovers every aspect of this ancient practice, and introduces the principles, techniques, and rituals of Tantra.

Modern Psychology and Ancient Wisdom, 2nd edition, brings together experts who explore the use of ancient healing techniques from Buddhism, Christianity, Goddess, Shamanism, Taoism, and Yogic traditions as well as the mystical practices of Judaism and Islam and their application to modern counseling and therapy professions. Each chapter lays out time-tested techniques used by teachers, guides, and practitioners to facilitate psychological healing, embraces a wide variety of cultural perspectives, and offers a large, varied, and meaningful view of the world. This new edition includes added material on Islam, indigenous, and shamanic healing perspectives and practices, as well as new findings in the fields of neuropsychology and epigenetics. With its vast offerings of new treatment methods from a variety of perspectives—from therapeutic metaphors and breathing exercises to meditation and yoga techniques—this book will be of use to mental health professionals, social workers, and pastoral caregivers.
