Eleven years ago, six kindergartners went missing without a trace. After all that time, the people left behind moved on, or tried to. Until today. Today five of those kids return. They're sixteen, and they are . . . fine. Scarlett comes home and finds a mom she barely recognizes, and doesn't really recognize the person she's supposed to be, either. But she thinks she remembers Lucas. Lucas remembers Scarlett, too, except they're entirely unable to recall where they've been or what happened to them. Neither of them remember the sixth victim, Max--the only one who hasn't come back. Which leaves Max's sister, Avery, wanting answers. She wants to find her brother--dead or alive--and isn't buying this whole memory-loss story. But as details of the disappearance begin to unfold, no one is prepared for the truth. This unforgettable novel--with its rich characters, high stakes, and plot twists--will leave readers breathless.

In his debut book, Nebraskan author Scott Howard exposes the actors financing the institutionalization of transgenderism. Behind the medical research into gender transitioning of children, ubiquitous pride parades, and Drag Queen Story Hours is a lot of money. Sex education, the homosexual and feminist precursor projects, and the global propaganda are all pushed and paid for by very wealthy and well-connected people with motive and will. Howard demonstrates that the transgender phenomenon is far from the "grass-roots movement" some of its advocates would have the public believe. Impeccably sourced and researched, *The Transgender-Industrial Complex* pulls the mask off the complex network of influential groups responsible for this inhuman project. Howard takes a deep dive into the murky depths of the Big Money behind Big Gay, exposing how the concept gained such recognition as well as the goals of the people behind it. At once wide-ranging and specific, advanced and accessible, *The Transgender-Industrial Complex* is essential reading for anyone who wants to understand why every institution with power, and a great many without, are uniform in their inversion of reality, their religion of lies, and their commitment to all that is ugly, broken, and foul. Antelope Hill is proud to present its first original work: Scott Howard's *The Transgender-Industrial Complex*.
