Tema cerita yang diangkat sangat kental dengan budaya Minangkabau. Menampilkan keelokan alam dan budaya minang, serta kritik Buya Hamka dengan berbagai praktik budaya yang dianggap tidak lagi relevan dengan perkembangan zaman. Buku ini mengisahkan Zainudin, seorang keturunan Minang-Makassar. Darah minang ia dapat dari ayahnya, sedangkan ibunya adalah seorang bugis. Setelah kedua orang tuanya meninggal, Zainudin berniat mengunjungi bako-nya. Melihat keinginan yang kuat, tak ada alasan bagi pengasuhnya, Mak Base, untuk tidak memberi izin. Disana ia tinggal dengan Mak Tuo-nya. Sehari-hari ia belajar ilmu agama dan adat dari para tetua. Hingga suatu hari ia bertemu dengan Hayati, cintanya pada pandangan pertama. Tetapi Zainudin bukanlah orang Minang, ia tidak bersuku dan berbangsa. Meskipun ayahnya orang pribumi asli, tapi suku tidak diwariskan oleh ayahnya. Sehingga ia hanya menumpang, tidak ada mamak dan penghulu yang mengakuinya sebagai kemenakan. Ini menjadi alasan cintanya kandas dan tidak direstui keluarga Hayati. Melalui kisah roman ini, Hamka ingin mengkritik sistem pernikahan di Minang masa itu, yang mendiskriminasi jika bukan dari suku Minang tidak boleh menikahi anak gadis yang berasal dari Minang. Orang yang tak bersuku Minang dianggap tidak berbangsa dan tidak paham akan adat Minang. Sehingga dianggap sebagai sebuah aib.

This book constitutes a through refereed proceedings of the International Conference on Local Wisdom - 2019, held on August, 29 – 30, 2019 at Universitas Andalas, Padang, Indonesia. History of communism; festschrift in honor of 70th anniversary of Gunawan Mohamad.

Hamka ' s Great Story presents Indonesia through the eyes of an impassioned, popular thinker who believed that Indonesians and Muslims everywhere should embrace the thrilling promises of modern life, and navigate its dangers, with Islam as their compass. Hamka (Haji Abdul Malik Karim Amrullah) was born when Indonesia was still a Dutch colony and came of age as the nation itself was emerging through tumultuous periods of Japanese occupation, revolution, and early independence. He became a prominent author and controversial public figure. In his lifetime of prodigious writing, Hamka advanced Islam as a liberating, enlightened, and hopeful body of beliefs around which the new nation could form and prosper. He embraced science, human agency, social justice, and democracy, arguing that these modern concepts comported with Islam ' s true teachings. Hamka unfolded this big idea—his Great Story—decade by decade in a vast outpouring of writing that included novels and poems and chatty newspaper columns, biographies, memoirs, and histories, and lengthy studies of theology including a thirty-volume commentary on the Holy Qur ' an. In introducing this influential figure and his ideas to a wider audience, this sweeping biography also illustrates a profound global process: how public debates about religion are shaping

national societies in the postcolonial world.

Since the early twentieth century, Muslim reformers have been campaigning for a total transformation of the ways in which Islam is imagined in the Malay world. One of the most influential is the author Haji Abdul Malik bin Abdul Karim Amrullah, commonly known as Hamka. In *Hamka and Islam*, Khairudin Aljunied employs the term "cosmopolitan reform" to describe Hamka's attempt to harmonize the many streams of Islamic and Western thought while posing solutions to the various challenges facing Muslims. Among the major themes Aljunied explores are reason and revelation, moderation and extremism, social justice, the state of women in society, and Sufism in the modern age, as well as the importance of history in reforming the minds of modern Muslims. Aljunied argues that Hamka demonstrated intellectual openness and inclusiveness toward a whole range of thoughts and philosophies to develop his own vocabulary of reform, attesting to Hamka's unique ability to function as a conduit for competing Islamic and secular groups. *Hamka and Islam* pushes the boundaries of the expanding literature on Muslim reformism and reformist thinkers by grounding its analysis within the Malay experience and by using the concept of cosmopolitan reform in a new context.
