David Stifter's Sengoídelc (SHAN-goy-thelg) provides a comprehensive introduction to Old Irish grammar and metrics.

Page 26/56

Access Free

Teseh Small

As an introductory text to the Irish language spoken around the eighth century C.E., this essential volume, covering all aspects of the grammar in a clear and intuitive format, is ideally suited for use as a course book or as a guide for the independent learner.

This handbook also will be an essential reference

Access Free Teseh Small work for students of Indo-European Manual Free

philology and historical linguistics. Stifter leads the novice through the idiosyncrasies of the language, such as initial mutations and the double inflection of verbs. Filled with translation exercises based on selections from Old Irish texts, the book provides a practical

Access Free

Teseh Small

introduction to the language and its rich history. Sengoídelc opens the door to the fascinating world of Old Irish literature, famous not only for the Táin Bó Cúailnge (The Cattle Raid of Cúailnge) and its lyrical nature poetry but also as a major source for the political and legal history of Ireland. Stifter's step-by-
