Thai-riffic! is my first cHEwY creation (book) and was published in June 2010. It is an uplifting and refreshing story about a kid who have their origins and traditions in a place so remote from the kids' imagination. It's for anyone trying to make sense of their own family heritage. Anyone caught between two cultures.

It's one small step for nerds, one giant leap to being cool. Mama tells me I'm gifted and talented. But I know the truth. I'm just a nerd. Kids call me Con-nerd - half Connor and all nerd. I'm supposed to become a doctor but I have this deep, dark secret- I want to be a cartoonist. And all of a sudden my mega-cool comics are getting noticed at school - I might even get into a special art class. That would sure impress this girl I'm keen on . . . and it might just be my chance to show the world my true destiny. But I'm not sure Mama will see it quite that way . . .

As long as you can make a girl laugh, she'll go for you, right? Well, unless you're a seriously weird teenager like Johnny Khamka. Surviving high school is hard enough, but how on earth can he get his childhood bestie, Josie, now a seriously hot teenager, to take him seriously? The answer is to keep her laughing. But when Johnny decides to take comedy seriously, he's suddenly at risk for not being funny at all. From the talented and funny author of Thai-riffic! And Con-nerd comes another LOL story about surviving your teens. Praise for Con-nerd 'Must read. Getting geeky is no longer freaky.' K Zone magazine Praise for Thai-riffic! 'His ability to write side-splitting humour and to connect with children shine through in this, his first, novel.' Sun Herald Praise for Thai-riffic! For the last two years, Christy Ung has been in the same class as the loud-mouthed Christie Owens -- and now it's 3rd time unlucky in 6C. Christie Owens is the popular one so everybody calls Christy Ung, the Other Christy. She moved from Cambodia in Year 4 and is still a loner at school. Christy's one solace is baking with her Auntie who suggests they bake a cake for Christy to share with her class on her birthday. Maybe a sweet treat can win them over and Christy might find a friend. She just didn't expect it to be Christie. When Christie is ditched by her besties, the two girls who share a name strike an unlikely friendship. Christy lets down her guard, revealing secrets about her weird upbringing with her clean-obsessed Grandpa. But Christy soon realises that she and her new friend are worlds apart. Can she ever shake off her Grandpa's strange habits? And will the two girls ever have more in common than just their name?

I'm not on social media, but everyone knows all about my life - from birth - thanks to Mum's Instagram, The Chronicles of Vee. It used to be a bit of fun, but when we got to 100,000 followers, Mum's started to take it way too seriously. My mission? Stop my mum posting everything about my life. How? 1. Become Anti-Vee and make my life unfollowable. 2. Make Mum's life more exciting than mine so she posts stuff about herself instead. Easy, right? That is, until Anti-Vee becomes more popular than the real Vee. Can I ever make Mum cool enough to start her own Instagram or am I doomed to have everyone following me forever?!

I'm Raymond, and my school is a joke. It's full of bullies and troublemakers. My solution? Be a nobody and fade into the background. But our new principal has blown my cover because he's chosen me as a prefect! It was looking pretty bad, until I made a crazy promise to get new air con for the classrooms. Now I'm REALLY in trouble!

From a dog who accidentally becomes the first animal on Mars, a hopeless chess player dealing with his sports-mad dad, and a girl whose dreams are getting too big for her bed, to a boy who has had 1000 names -- so far. Not to mention, the strange boy who never seems to get brain freeze (until...), these short stories will blow your mind.

Hi, I'm Connor and I'm a nerd. I thought I knew all there was to being one. But there are better nerds out there. Super nerds. Hyper nerds. Super, hyper nerds. I thought all nerds were smart. But that's not true, because suddenly I don't feel so bright anymore. Our favourite character from Con-nerd returns in Super Con-nerd, where he finally makes it into a selective high school. If he thought the competition was intense to get into a selective school, it's tougher on the inside. Connor feels like everybody else is smarter than him and is trying to play catch up with the other super nerds, like Andrew Thompson who is top of his class. Connor's mum has loosened up and lets Connor draw his comics like Fireproof Knights, as long as his grades are good. Luckily, there's no report cards after the first week of school.
